XI. Officer/Committee Reports (7 Minutes per officer)

A. President:

-I attended the Leadership conference at both St. Louis and San Jose. We received great advice, tips, and got to network with student leaders from around the state and the nation. We decided that we want to bring those conferences here to elac and this will be the first ever leadership conference lead by students. We are hoping to get clubs to also help in the process. We plan on having everything set by Early spring.

-Shared Governance, the meeting was concentrated on the new food vendor so I was not able to give a report. We pushed for lower prices and at minimum, a value menu for our students. Some information that we received was that we are getting low enrollment. 15 out of every 100 students did not enroll and one of the biggest issue is because of the new SIS system.

-Administration then took the initiative on creating the Boom Festival that actually happened yesterday. It was really fun and I think many students enjoyed it and we had a great outcome.

-I met with Vice President Ruben Arenas to get some guidance on how we can get a piece of the share of the funds that are being used.

ASSOCIATED STUDENT UNION MEETING

- All ASU meetings missed from now on will no longer be excused, unless critical and urgent matters arise. We would need proper documentation to confirm the absence.
- As professionals, we must treat this like a career or job. We represent the students and we owe it to them that we can make it on time and time manage well. We were appointed by the students with the trust that we will represent them well. For those appointed, you were asked about your time management skills and everyone said they were able to juggle their personal, professional, and school so everyone is held accountable equally.
- Everyone needs to be checking their emails at least 4 times a day. This is how we are primarily going to be communicating
- No electronics will be allowed at the meeting, unless needed to continue the meeting. ASU board members will be called out of order if they are caught on the phone without permission.
- Report to Myself and Secretary French if and when you will or have attended the meeting. Report 3 business days in advance.
- Someone will be assigned to the CAFE committee once we receive more information on when they will be meeting.
