Addiction Studies Spotlight

On Saturday December 19, 2020, in front of the ELAC steps, 60 students who persevered during the pandemic and earned a Prevention Specialist Certificate or a Recovery Specialist Certificate were honored at a drive-thru ceremony. Thirty of those students were part of the FOCIS (Formerly Incarcerated) Program.

As students drove by the ELAC steps (decorated with balloons, banners, signs, and tables of snacks, supplies, and certificates) they were cheered on by MC Ricardo Sevilla, Addictions Studies Director Dr. Lisa Vartanian, VP Dr. Armida Ornelas, Dean Kendra Madrid, Psychology Department Chairperson Dr. Sherrie Davey, Addiction Studies Professor and Founder Dr. Karen Taback, as well as Addiction Studies faculty and staff. As each student drove up, Dr. Vartanian handed them a certificate and praised each one for their dedication and welcomed them to the field of Addiction Studies.

Special thanks to Sergio and Mike from Facilities for setting up the fabulous sound system for the event.

Congratulations to the 60 participating students!

We've got student CLUBS!!! Come check us out!

Do you know your Career & Academic Pathway (CAP)?

Psychology falls under the Social & Behavioral Sciences CAP while our Addiction Studies Programs fall under the Health Sciences and Administration of Justice and Public Safety CAP.

Explore your CAP by clicking on the following link:

<http://www.elac.edu/Explore/Career-and-Academic-Pathways>. You'll discover an Academic Map that includes a recommended course sequence pattern, possible career paths, YouTube videos about the field of study and much more!

We also have student ambassadors who can help answer questions about your path. Reach out to Dat Khang (Danny) Luu and Haille McDonald (both Psychology majors) at elacgpstudentambassadors@gmail.com.
