mendation

East Los Angeles College empowers students to achieve their educational goals, to expand their individual potential, and to successfully pursue their aspirations for a better future for themselves, their community and the world.

Goal 1: *Increasing student success and academic excellence through student-centered instruction, student-centered support services, and dynamic technologies.*

Goal 2: *Increasing equity in successful outcomes by analyzing gaps in student achievement and using this to identify and implement effective models and programming to remedy these gaps.*

Goal 3: *Sustaining community-centered access, participation, and preparation that improves the college's presence in the community, maximizes access to higher education and provides outlets for artistic, civic, cultural, scientific and social expression as well as environmental awareness.*

Goal 4: *Ensuring institutional effectiveness and accountability through data-driven decision-making as well as evaluation and improvement of all college programs and governance structures.*

In collaboration with the District's Mission, ELAC is committed to advancement in student learning and student achievement that prepares students to transfer, successfully complete workforce development programs, earn associate degrees, and pursue opportunities for lifelong learning and civic engagement.
