No tener conocimientos básicos de inglés no debe ser un impedimento para matricularse en dichos cursos. The Petition must be filed with the Department Chair of the department over the class that is being challenged. If the College does not resolve your challenge within the five-day period, you will automatically be enrolled in the class. If no space is available in the class, the challenge shall be resolved before the beginning of registration for the next term. If your challenge is upheld and space is available, you may enroll in the next term.

Grounds for Challenges

It is your responsibility to show proof with documentation that you have grounds for a legitimate challenge. You may challenge any of the prerequisites or co-requisites using any of the Title 5 regulations listed below:

NOTE: If you have successfully completed a similar course outside of the Los Angeles Community College District, bring your official or unofficial transcripts or grade cards to the Counseling Office - AD 108 for evaluation.

1. The prerequisite/co-requisite does not follow the rules established by the District.
2. The prerequisite/co-requisite is in violation of Pre/Co-requisite and Advisory Regulation, specified in Section 55201(e) of Title V. (See Office of the Vice President of Student Services - AD207)
3. The prerequisite/co-requisite is unlawfully discriminatory or being applied in an unlawfully discriminatory manner. Once you have completed the Prerequisite or Co-requisite Challenge petition process on the grounds of unlawful discrimination, you have the right to file a formal complaint of unlawful discrimination with the Dean of Equity and Diversity (CH109).
4. You have the ability and knowledge to succeed in a course without the pre/co-requisite.
5. You will be subject to undue delay in obtaining your educational goal because the prerequisite/co-requisite course was not reasonably available.
6. You have not been allowed to enroll due to a limitation set for a course that involves intercollegiate competition, public performance, honor courses, or blocks of courses limited to a particular group of students. You will be allowed to enroll in such a course if there is no equivalent section offered, and you would be delayed a semester or more in obtaining your degree or certificate specified in your Student Educational Plan.

MATRICULATION CONTINUED

7. You want to enroll in a course which has prerequisite/co-requisite established to protect health and safety, and you can demonstrate that you do not pose a threat to yourself or others.

Resolution of Prerequisite Challenges

Each prerequisite challenge shall be investigated and resolved through the appropriate department chair no later than five (5) working days from the day that your challenge is filed.

Pre/Co-requisite Challenge Petition Filing Dates

Students may file challenges throughout the Fall and Summer semesters up to five (5) working days before the end of each semester. Some departments may accept petitions during summer session and winter intersessions, based on faculty availability.

HOW TO PLAN YOUR SCHEDULE

A planning worksheet has been provided for you below. The state education code stipulates that each hour of a community college class shall require at least two hours of study outside of class. The maximum study load is 18 units during a regular semester, 12 units during a Summer Session and 7 units during a Winter Intersession. The normal class load for full-time students in the Winter or Fall semester is from 12 to 18 units per semester. Those students who will be employed while attending Los Angeles City College should reduce their programs accordingly. Students who are employed full-time should enroll in no more than 1 or 2 classes or a maximum of 9 units. The table to the right provides the suggested maximum class load for students who are also working.

Drops can also be processed in the Admissions and Records Office. Please check the college calendar inside the front cover of this schedule for important dates.

PLEASE NOTE: *It is the students’ responsibility to drop a class no longer being attempted. Failure to drop a class in a timely manner may result in a “W” or an “F” on your academic record. You may also be held accountable for payment of all fees whether you attend or do not attend class.*

NOTE: STUDENTS WHO ENROLL IN ON LINE CLASSES MUST HAVE AN ACTIVE E-MAIL ACCOUNT

**IN ADDITION,
YOU MUST:**

1. Contact your instructor before the first day of class at the e-mail address listed in the main class listing section.
2. If no e-mail address is listed, call the appropriate Department for further instructions.

FINANCIAL AID INFORMATION

You may apply for financial aid to assist with: Enrollment Fees • Books • Living Expenses (Rent, etc.)

Plan Ahead & Complete the FAFSA

It takes a little time to complete the Free Application for Federal Student Aid (FAFSA). Once your form has been submitted, it will take several weeks to process. And, it will take several additional weeks before your first financial aid check arrives.

- Financial aid is available to students who can demonstrate financial need.
- Non-California residents may also qualify for financial aid.
- Non-residents who don't qualify for a fee waiver, may be eligible for financial aid.

Pay Attention To Deadlines

Fall SEMESTER: To increase the likelihood that your financial aid check will arrive at the beginning of the FALL semester, submit your application in the Fall (usually by March 2).

SPRING SEMESTER: To increase the likelihood that your financial aid check will arrive at the beginning of the Fall semester, submit your application at least three months prior to the start of the semester (usually mid-November). (You may apply for aid through the end of each semester. However, the later you apply, the later you will receive your financial aid funds.)

Enrollment Fee Waivers

If you are a low-income resident of California, you may qualify for a Board of Governors Enrollment Fee Waiver which covers your enrollment fee. It DOES NOT cover books and living expenses. It is recommended that you complete the FAFSA to apply for a fee waiver.

NOTE: When you submit the FAFSA form, you are automatically considered for the fee waiver. If you need the fee waiver immediately, however, you may use a separate Board of Governors Fee Waiver form. Forms are available in the Financial Aid Office, Clausen Hall 111A. Usted puede solicitar ayuda financiera para lo siguiente: Matrícula • Libros • Gastos (Alquiler de Casa, etc.)

Planee a Tiempo & Complete La Solicitud de FAFSA

Toma poco tiempo en completar la aplicacion FAFSA. Si necesita ayuda para esto puede ir a FASTLAB en la MLK Library por asistencia. Despues de haver completado la forma, el proceso tomará varias semanas y también tomará unas cuantas semanas para que usted reciba el primer cheque.

- La ayuda financiera está disponible para los estudiantes que pueden demostrar que la necesitan.
- Las personas que no son residentes de California talvez puedan calificar para la ayuda financiera.
- Si usted no califica para una matrícula con excepción financiera (fee waiver), por no ser Residente de California, usted podría ser elegible para ayuda financiera.

POR FAVOR PONGA ATENCIÓN A LAS FECHAS LÍMITES

EN EL SEMESTRE DEL OTOÑO: Para asegurarse que el cheque de ayuda financiera llegue al principio del semestre del ontoño, someta la solicitud en el semestre de la primavera (usualmente el 2 de marzo)

EN EL SEMESTRE DE LA PRIMAVERA: Para asegurarse que el cheque de ayuda financiera llegue al principio del semestre de la primavera

someta la solicitud por lo menos tres meses antes del comienzo del semestre (usualmente a mediados de noviembre). (Puede solicitar ayuda hasta el final de cada semestre. Sin embargo, si usted solicita tarde, usted recibirá su ayuda tarde.)

LA MATRÍCULA CON EXCEPCIÓN FINANCIERA (FEE WAIVER)

Si usted es un residente de California con ingresos bajos, usted puede calificar para la matrícula con excepción financiera, la cual cubre la matrícula. Esta no cubre libros y mantenimiento (gastos).

Para esto usted necesita llenar la solicitud de FAFSA para saber si usted puede calificar en estas áreas. Comenzando el oñtono 2006, el honorario de la salud no sera cubierto por la matricula con excepcion financiera (fee waiver). Sera la responsabilidad del estudiante pagarlo.

NOTA: Cuando usted someta la solicitud de FAFSA automaticamente es considerado para la matrícula con excepcion financiera. Si usted necesita la matrícula con excepción financiera inmediatamente tendrá que llenar la solicitud respectiva. Estas formas están disponibles en la oficina de ayuda financiera, Clausen Hall 111A

5 STEPS TO REMEMBER

STEP 1: Complete and submit the FAFSA form. Form available on-line (www.fafsa.ed.gov) or in the Financial Aid Office, Clausen Hall 111A.

STEP 2: Several weeks later, you will receive a Student Aid Report (SAR) acknowledgment in the mail. Bring it to the Financial Aid Office to open a financial aid file and discuss any problems with your application.

STEP 3: The Financial Aid Office will review your application and automatically processes a fee waiver for students who meet the criteria.

STEP 4: The Financial Aid Office will then send you an Award Notification Letter which states how much aid you will receive.

STEP 5: Financial aid checks are either sent by mail or transferred electronically to the student's bank account during the school year.

Typically your first award check will arrive two weeks after you receive the Award Notification, but it can take longer.

REUSING A LOS ANGELES LANDMARK

The LACCD Van de Kamp innovation Center consists of the restoration adaptive reuse of the historic Van de Kamp's Holland Dutch Bakery and the construction of a New Education Building.

Van de Kamp's was founded in 1915 by Theodore Van de Kamp and Lawrence L. Frank.

Van de Kamp's Holland Dutch Bakery at 2930 Fletcher Drive in Glassell Park was built in 1931 and designed in the Dutch Renaissance Revival style by New York architect, J. Edwin Hopkins. The building, known as the "Taj Mahal of Los Angeles bakeries," served as the headquarters for Van de Kamp's chain of bakeries and coffee shops for more than 75 years.

In 1992, the Bakery was declared a Los Angeles Historical-Cultural monument, Number 569 by the City of Los Angeles.

To preserve historic details, building elements salvaged and rehabilitated include all side façades identified as original Dutch Renaissance Revival architecture, existing steel framed windows, terracotta roof tiles, the existing timber roof and vents, metal railings, brick masonry and the original Van de Kamp's neon sign.

PROMISES KEPT

The LACCD is keeping its promise to provide much-needed educational courses and worker training at the Van de Kamp site. The multiuse center offers courses toward an associate's degree or transfer credits, a high school program and workforce development services.

Placement Information

High school courses are not accepted as equivalent to college courses. Every new incoming student will be required to take the math assessment unless he/she has satisfied the prerequisite by a college level course or a comparable assessment process from another college (must not be based on high school transcripts). The result of the assessment test is valid for one year. The student is encouraged to start his or her mathematics sequence as soon as possible after the assessment test is taken.

If you place in a 200 level math course, you should review the Mathematics Course Sequence flowchart to determine which track best fits your circumstance and discuss your choice with a counselor.
