MESSAGE FROM THE PRESIDENT

On behalf of the Los Angeles Mission College family, welcome to the fall 2018 semester. Our faculty, staff and administrators are ready to support you and ensure that you succeed in achieving your goals.

Mission is on the move. The college continues to grow. We recently unveiled our new Arts, Media & Performance building, which will be our state-of-the-art venue for art galleries, concerts, and theatre performances throughout the year.

We continue to add dedicated professionals to our ranks that can provide you with the educational and career support you need. We also continue to expand programming that empowers you to find sustainable employment in rewarding industries. We offer Skills Certificates and Associate Degrees in areas like Allied Health, Child and Family Studies, and Culinary Arts.

The Transfer Center is always ready to help you get on track to transfer to a four-year university. The Career Center can help you figure out your next move after graduation. The entire L.A. Mission College family is committed to your success.

We continue to sponsor more student events because we know that college is not just about studying, transferring, or completing a certificate. L.A. Mission College is where you discover a greater you!

I wish you a very productive and immensely successful fall semester.

Very truly yours,

Monte E. Perez, PhD

President, Los Angeles Mission College

LAMC MISSION STATEMENT

Los Angeles Mission College is committed to the success of its students. The College, which awards associate degrees and certificates, provides accessible, affordable, high-quality learning opportunities in a culturally and intellectually supportive environment by:

- Providing services and programs in basic skills, general education, career and technical education, and for transfer;
- Educating students to become critical thinkers and lifelong learners;
- Ensuring that all programs and services are continuously evaluated and improved to support student learning and achievement; and
- Making traditional and distance education learning opportunities available to enhance the health and wellness of the diverse communities it serves.

3 REPEAT RULE

EFFECTIVE SUMMER 2012, course withdrawal (“W”) or a substandard grade (“D,” “F,” or “NP”) count as an attempt at a course. Only three attempts at any one course will be allowed, with some exceptions. Listed below are the new rules that all students need to know about.

- Students who drop or are excluded after the last day to drop without a grade of “W” will have a “W” appear on their transcript. The “W” will count as an attempt for that course.
- For the Fall semester, September 9, 2018 is the last day to drop a 16-week semester length class without a “W”. Students will be able to drop a class online until this date. Contact the office of Admissions and Records for deadlines on late start, short-term and special program classes.
- A course in a student’s transcript which currently shows a recorded “W” counts as an attempt for that course.
- Students will not be allowed to register for any course within the LACCD if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
- Add permits for a course within the LACCD will not be processed if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
- For courses specifically designated as “repeatable,” students may repeat up to three times (See Title 5 California Code of Regulations sections 55040, 55041, 58161).
- Where the student’s number of enrollments in a course exceeds the allowable amount, the student may petition for an additional enrollment in cases of extenuating circumstances.

What students should do:

- Be sure you are academically ready for classes you enroll in.
- If you must drop a course, drop before the specified deadline for dropping a class without a grade of “W.”

HONORS & PRIORITY ADMISSION TRANSFER PROGRAMS

LAMC has numerous agreements with university and college campuses that give students who participate in these programs various transfer application advantages, the most important being priority admission. If you are interested in transferring to UCLA, we have a specific honors transfer program called UCLA Transfer Alliance/Honors Program (TAP). In addition, as a member of the Honors Transfer Council of California, LAMC participates in an alliance with many additional campuses. Information on both programs follows.

UCLA TRANSFER ALLIANCE/HONORS PROGRAM

The Los Angeles Mission College Transfer Alliance/Honors Program is designed for motivated students who plan on transferring to a four year college or university. The program consists of academically enriched general education courses in which both written expression and the critical analysis of ideas are stressed. The TAP program offers participating students priority admissions to UCLA and additional opportunities at other universities. Admittance rates for UCLA college of letters and sciences were (tabulated for Fall 2017) for TAP/Honors students was 76.7% versus 24.3% for non-TAP/Honors students! Both current and new students may apply to be part of the TAP program.

Requirements: Students will complete five honors courses (minimum 15 UC transferable units) and maintain at least a 3.25 grade average, and honors designation will appear on the students' transcripts. For each honors course, students will complete a research project or paper designed in collaboration with the Honors Director Dr. Mike Fenton and the faculty member teaching the course.

Application requirements:

Current LAMC students must be eligible for English 101 and have completed 12 transferable units with a GPA of 3.25 or higher.

Entering students must have a high school GPA of 3.50 or higher or an SAT score above 1,000, and their placement tests must place them in English 101 or higher. If you do not meet a specific requirement but would like to be able to participate in TAP, please write to Dr. Mike Fenton at fentonms@lamission.edu to discuss your particular situation.

Application Packet Requirements:

Interested students should put together a packet that includes unofficial transcripts, a personal statement, faculty recommendation and a completed application which can be found on the Honors website: www.lamission.edu/honors

Benefits of TAP/Honors Participants @ UCLA:

- Priority admissions consideration to several prestigious four-year institutions, including UCLA
- An enriched academic program allowing students to gain opportunities to pursue topics and projects of individual interest within courses taken; opportunity to gain valuable critical thinking, research and writing skills; opportunities to explore interdisciplinary approaches to course topics
- Assistance in the transfer process
- Participation in TAP/Honors allows you to have a non-impacted Alternative Major Selection at UCLA
- UCLA Library Card

Benefits of TAP/Honors Participants Here @ LAMC:

- Transcripts that reflect participation in the program
- Regular opportunities for interaction and individual conferences with faculty mentors and program director
- Priority counseling with the Honors Counselor
- Book Store Fast Pass (Priority book store visits the first week of class)
- Recognition at LAMC graduation ceremony
- Opportunity to attend the annual Honors Students research Conference at UC Irvine as well as the UCLA TAP/Transfer Conference

Contact Information for the UCLA Transfer Alliance/Honors Program:

Contact Honors Counselor Afri Walker, 818.364.7647, or Honors Coordinator Dr. Mike Fenton, 818.364.7888

ADDITIONAL TRANSFER AGREEMENTS THROUGH THE HONORS TRANSFER COUNCIL OF CALIFORNIA

This program was created to promote academic excellence, to stimulate creative intellectual thinking and discussions of academic issues among students and faculty, to increase awareness of current social issues, to encourage community service, to celebrate cultural diversity, and to prepare students for successful university transfer. LAMC Membership in the Honors Transfer Council of California (HTCC) gives our students the opportunity to participate in many honors agreements and the primary benefit is priority admission. To learn more about the HTCC and the programs, agreements, priority admission, scholarships and other activities they offer to our students, go to www.htcca.org/directors-counselors-faculty/transfer-agreements/

Participating Universities and Colleges:

Some of the universities and colleges that offer honors program transfer agreements that may include priority admission to those students who complete all requirements at the time of application for transfer are:

Amherst	Pomona College
Azusa Pacific University	San Diego State University
Brandeis	San Jose State, Engineering
Chapman University	Scripps – Claremont
Chicago-Kent College of Law	Smith College
Colorado State University	Trinity College
Concordia University Irvine	Tufts University
Connecticut College	UC Irvine
CSU Fullerton	UC Riverside Honors
Gonzaga	University of Arizona
Illinois Institute of Technology	University of La Verne
La Sierra University	University of San Diego
Loyola Marymount University	University of San Francisco
Mills College	Wheaton College
Occidental College	Whittier College
Pitzer College	Whitman College

Benefits to Honors Program Participants at Each School:

Each University or College listed above has specific requirements and guidelines and each offers varying additional advantages outside of priority admission for students who complete the Honors Program requirements described. These advantages may include priority for housing, scholarships and other benefits. Transfer agreements for participating schools may be viewed at <http://htcca.org/transfer-partners>

Requirements: The requirements are the same as they are for the UCLA TAP Program described above. Students must be eligible for English 101 and have completed 12 transferable units with a GPA of 3.25 or higher. Entering students must have a high school GPA of 3.50 or higher or an SAT score about 1000, and placement tests must place them in English 101 or higher. To earn Honors Program Certification, students must complete five honors courses with a 3.00 grade average, and honors designation will appear on the students' transcripts. For each honors course, students will complete a research project or paper with a specific faculty member for a class in which the student is enrolled.

Contact Information for HTCC Honors Transfer Programs:

Call Counseling at 818.354.7655 or 818.364.7656 and ask to meet with an honors counselor regarding all programs above. Go to lamission.edu/honors for additional materials.

ASSOCIATE DEGREE FOR TRANSFER

California Community College students interested in transfer to a California State University (CSU) are encouraged to learn more about the Associate in Arts or Associate in Science for Transfer (AA-T or AS-T) Degrees. These Transfer Degrees are designed to provide a clear pathway for transfer. California Community College students awarded an AA-T or AS-T degree are guaranteed admission with junior standing in a program that is deemed “similar” within the CSU system. Although priority admission consideration is given to the student’s local CSU campus within a “similar” program, it does not guarantee admission to a specific major or campus.

Students who have been awarded an AA-T or AS-T are able to complete the remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

Los Angeles Mission College offers several Associate Degrees for Transfer and to find out which CSU campuses accept each degree, go to www.sb1440.org. Students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

AT THE TIME OF PUBLICATION, A STUDENT MAY EARN AN AA-T OR AS-T AT LAMC IN THE FOLLOWING MAJORS:

- | | | | |
|----------------------------------|-------------------------------------|--------------------------------|--------------------------|
| • AS-T Administration of Justice | • AA-T Communication Studies | • AA-T English | • AA-T Political Science |
| • AA-T Art History | • AS-T Computer Science | • AA-T Kinesiology | • AA-T Psychology |
| • AS-T Biology | • AS-T Early Childhood Education | • AS-T Mathematics | • AA-T Sociology |
| • AS-T Business Administration | • AA-T Elementary Teacher Education | • AS-T Nutrition and Dietetics | • AA-T Spanish |
| | | • AA-T Philosophy | • AA-T Studio Art |
| | | | • AA-T Theater Arts |

REQUIREMENTS

The following is required for all AA-T or AS-T degrees:

1. Minimum 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of 2.0 in all CSU-transferable coursework. Although a 2.0 GPA is required for admission, some majors may require a higher, more competitive GPA. Please consult the counselor, the ASSIST website (www.assist.org) and the college catalog for more information.
3. Completion of a minimum of 18 semester units in an “AA-T” or “AS-T” major as detailed in the Disciplines section of this catalog. All courses in the major must be completed with a grade of “C” (2.0) or better. Local graduation requirements are not needed for degree to be granted.
4. Certified completion of the California State University, General Education-Breadth (CSU GE Breadth) pattern, OR the Intersegmental General Education Transfer Curriculum (IGETC) pattern.
5. Complete a minimum of 12 units at LAMC.

AROUND THE CAMPUS

STUDENT SERVICES DIVISION: The Student Services Division is dedicated to students receiving quality advisement and information. Several departments and programs help you make decisions that help you be successful in college. Please review the following departments and programs to learn how they can help you navigate through the community college process.

COUNSELING DEPARTMENT

Our counselors are here to assist you in the development of your Student Educational Plan, advise on class selection, academic issues, and career exploration. Students can call to schedule a counseling appointment or stop by during drop-in counseling hours to ask quick questions.

New students who have completed assessment and online orientation are encouraged to meet with a counselor to develop an Abbreviated Student Educational Plan (ASEP). Continuing students are encouraged to meet with a counselor at least once each semester. Students enrolled in an online or hybrid course at LAMC may also inquire about online/e-counseling availability by calling the Counseling Office. All counselors are here to help you! The Counseling Office is open Monday through Thursday from 8am to 6:30pm, and Fridays until 1 pm. The Counseling Office is located in the Instructional Building, Administration Wing. Call 818.364.7655 for an appointment. Counselors are available in the Counseling Office (Instructional Building, Administration Wing), Transfer Center (Campus Services Building), Career Center (LRC 222), International/Veterans and TRIO (Campus Center, Lower Level), EOP&S and CAFYES (Instructional Building, Administration Wing), CalWORKs (INST 1007), STEM (CMS 014), DSP&S (INST 1018), and METAS.

DISABLED STUDENT PROGRAMS & SERVICES

DSPS provides services and supports for students with disabilities. These services support student success and assist the college to meet the requirements ensuring that the college programs, services and activities are accessible to and useable by students with disabilities as required by relevant Federal and state non-discrimination laws, including Sections 504 and 508 of the Federal Rehabilitation Act, the Americans with Disabilities Act (ADA), and state Government Code Sections 11135-11139.5. Students with disabilities are offered a wide array of support which can include: priority registration, academic/personal counseling; job development and career planning; sign language interpreting; assistive technology support; special classes; equipment loan; and linkage to campus/community referrals. Reasonable accommodations may include: test proctoring (i.e., extra test time and a distraction reduced examination setting); note taking assistance; and classroom accommodations (e.g., adaptive classroom furnishings, preferred seating). The goal of DSPS is to assure that students with disabilities are afforded equal access to the educational opportunities that exist at LAMC. Please visit us at www.lamission.edu/dsps for additional information.

EXTENDED OPPORTUNITIES PROGRAMS & SERVICES (EOP&S),

COOPERATIVE AGENCIES RESOURCES FOR EDUCATION (CARE)

EOP&S/CARE works with a student population that must meet certain qualifications. Drop by the office to see if you qualify.

Students are awarded vouchers valued at \$225 each that are used to purchase only textbooks only at LAMC bookstore.

EOPS students also receive priority registration, three mandatory individual counseling sessions, tutorial support, available academic workshops and assistance with the financial aid process.

CARE students (EOP&S single parents receiving Cal/WORKS with at least one dependent child less than 14 years old) also receive an additional \$150 CARE book grants used to purchase textbooks and supplies at LAMC bookstore. All new EOP&S/CARE students are given survival kits, which include, but are not limited to backpacks, LAMC binders, notebook paper, pens, pencils and LAMC t-shirts. In addition, CARE students are also awarded meal vouchers valued at \$6 each that are used in the cafeteria. EOP&S/CARE students are awarded cash grants once or twice a year, depending on availability of funds.

OFFICE OF ADMISSIONS AND RECORDS

Admissions is located in the Student Services annex of the Instructional Building, which is located near the clock tower. Admissions provides resources to support students, such as processing transcripts and verifications. Admissions accepts and processes a variety of petitions, including but not limited to course repetitions and general petitions. It is our goal to assist the best we can in the academic success of our students.

OFFICE OF FINANCIAL AID & SCHOLARSHIPS

This office is located in the same location as Admissions & Records, EOP&S and the Counseling Department. Make sure you stop by and request information about meeting your financial needs. Many options are available, and staff can assist you in identifying the financial resource for which you qualify.

STEM PROGRAM

The STEM program provides academic counseling and support to students interested in Science, Technology, Engineering & Mathematics majors with support to help achieve goals to graduate with an associate degree, transfer to a four-year university, or prepare for graduate school. Services include: create a comprehensive student educational plan, learn about different majors and careers in STEM, events & workshops, site visits & college tours, access to Undergraduate Research internships in academia and industry. Contact us at **818.364.7600 x4161** or visit us in **CMS 014**.

TRANSFER CENTER

Los Angeles Mission College is committed to assisting students in transferring to four-year institutions, including all campuses within the UC and CSU systems, independent or private colleges in California, and out-of-state institutions.

Transfer Center seeks to make students aware of their transfer choices and to assist with the transfer process.

Transfer Center staff facilitates this process by helping students:

- Understand transfer admission requirements
- Calculate transferable GPA/Units
- Complete the application process for their transfer school(s) of choice.
- Stay informed on important dates and deadlines
- Counseling on transferring to colleges and universities
- Providing transfer related workshops
- Opportunities to meet with admissions representatives
- Access to computers for university/major exploration
- Students are encouraged to begin planning for transfer as early as possible.

TRIO/STUDENT SUPPORT SERVICES (SSS) PROGRAM

The TRIO/Student Support Services (SSS) Program is a federally funded program designed to identify and provide resources to help students persist through college. SSS provides support services that promote and facilitate student's academic and personal success. To qualify for SSS, students must meet at least one of these requirements: 1) Be a first-generation college student (neither parent has a bachelor's degree); 2) meet an income guideline; 3) be a student with a disability.

Students selected to participate in SSS will qualify for one-on-one academic advising and counseling, individual and group tutoring, career counseling, study skills workshops, trips to cultural sites and colleges, and grant aid through a selective process. Contact us at **818.364.7821**, or visit our website for more information: www.lamission.edu/ssss

Online databases, books, reference materials, periodicals, and information from the Internet – the tools you need to succeed are all available in the Library. The library staff is eager to assist you. Check out your library.

- Many textbooks are available for library use. Most other books can be borrowed for home use.
- E-books, articles in periodicals and newspapers and reference information are available 24/7 from on campus and from home.
- Study rooms are available for small groups to use.
- Computers provide access to Microsoft Office Suite, the internet and online databases.
- Wireless access is available throughout the Library. Use your own laptop or check out a library laptop to use in the Library.
- Use your Student ID card to make copies or print black and white or color documents from computers.
- A scanner is available at the reference desk to scan documents.
- MLA and APA citation and style guides are available by clicking on Research Paper Guides from the Library home page.
- Reference librarians will help you find the information you need for your class assignment.

Increase your skills in using Library Resources. Attend a workshop on Databases, MLA and Research Strategies. Enroll in Library Science 101-Library Research Methods. Use our online tutorials and research guides. Ask a librarian for assistance.

SCIENCE TUTORING CENTER

Center for Math & Science (CMS), East Campus, Seminar Room 101

The Science Tutoring Center is wheelchair accessible.

Hours: Monday – Thursday, 9am to 6pm & Friday 10am to 4pm

The Science Tutoring Center provides FREE assistance in science courses to registered students. Workshops in Anatomy, Biology, Chemistry, Physics, and Physiology are offered regularly and designed to review concepts covered in homework, quizzes, and exams. Midterm and Final Exam workshops, and group study sessions, are available. For more information call **818.364.7600 ext.7133**.

Resources from professors, handouts, science videos and animations, and links to online tutorials are on the Science Tutoring Center's web page.

- Support for success in Anatomy classes includes Histology slides, microscopes, and various anatomical models as well as tutoring.
- Critical tutorial videos are available to view and/or check out.
- Science related manipulative models are available for use in the Science Tutoring Center.

LEARNING RESOURCE CENTER – MATH LAB

Ground floor of the Library building – Wheelchair accessible

Hours: Monday – Thursday 11am to 7pm & Friday 10am to 4pm

Tutoring for Math is provided in the Learning Resource Center Math Lab.

The LRC Math tutors are dedicated to student success and provide friendly assistance for class assignments and practice exams. Tutors can also direct students to online videos, assist with math computer programs, and lend calculators and Math textbooks to students for use in the Learning Center.

The Learning Resource Center is equipped with computers that support interactive software: MyMathLab, MyLabsPlus, WebAssign, Mathematica, and Minitab.

LEARNING RESOURCE CENTER WRITING LAB (LRC)

Ground floor of the LAMC Library building – Wheelchair accessible

Hours:

Monday – Thursday, 9am to 6pm
Friday, 10am to 4pm

The Learning Resource Center (LRC) is a hub for activities designed to help students succeed in their classes. Highly qualified student tutors, many of whom are graduate students, are trained to assist students with assigned work including academic writing, reading, math, and computer assignments.

Each semester, a variety of workshops and review sessions are offered covering topics in study skills and grammar through the our Academic Success Center (LRC 219). The ASC also offers online videos in critical thinking topics to help students understand and apply critical thinking skills in their classes.

Workshops, study materials, and online videos for Anatomy, Astronomy, Biology, Chemistry, Physics, and Science Success Skills are presented by the Learning Resource Center's Science Tutoring Center located on the East Campus (CMS 101).

Math tutoring is held Monday through Thursday from 9am to 6pm and Friday from 10am to 6pm in the Math Lab, (ground floor).

The Learning Resource Center offers access to computers with academic software in the Learning Lab area and access to general use computers in the Individual Use area. The LRC is wheelchair accessible and provides automatic adjustable tables, adaptive software, and screen magnification. The Information Desk is staffed by student assistants who are trained to offer basic support for computing, printing and copying.

For further information on Learning Resource Center services, please contact the Information Desk at **818.364.7754**.

ACADEMIC SUCCESS CENTER (ASC) IN THE LRC

Ground floor of the Library building, Room 219 – Wheelchair accessible

Hours: Monday – Thursday 9am to 6pm & Friday, 10am to 4pm

The ASC provides FREE writing and reading assistance to registered students. We will help students to study, organize essays, learn MLA and APA styles, and improve grammar. Our knowledgeable writing coaches can help students to develop their skills or discuss writing styles for transfer level courses. Our Reading Plus software program has helped some students improve their reading by five levels, and it is accessible from home. Students can take a Reading Plus or TABE reading assessment and begin improving their reading skills immediately. For more information, visit the Learning Resource Center or call the Information Desk at 818.364.7754.

- Eleven computers are available with grammar, writing, and reading software.
- Workshops are provided on grammar review, APA and MLA styles, writing essays, and note-taking techniques.
- Reading Plus, PLATO, and ESL software is available on lab computers.
- Critical thinking tutoring focuses on analysis, argumentation, pre-supposing, assumptions, implications, and interpretation.

Contact: Albert D. Ybarra, Learning Resource Center Director:
YbarraAD@lamission.edu or (818) 833-3373.

MATH TUTORING CENTER

Center for Math & Science (CMS), East Campus

Hours: Monday – Thursday 11am to 7pm

Individual and group tutoring provided for Science and all Math classes offered at Los Angeles Mission College.

Knowledgeable, friendly, and patient tutors and math instructors are available to guide students through class assignments and practice exams. We have math textbooks and calculators available for student use in the lab. Our staff can also assist students with math computer programs and online assignments. All services are free for registered students. No appointment needed.

- The tutoring lab is equipped with computers that support interactive software: MyMathLab, MyStatLab, WebAssign, Mathematica, and Minitab.
- Access to online resources: MDTP Preparation materials, review exams and handouts provided by Math instructors
- Step-by-step solutions in video format are available for selected classes.
- Instructors often hold their office hours in the STEM Math Center to answer class/program related questions and provide tutoring.
- Workshops and study groups are scheduled throughout the semester; visit the STEM Math Center website: www.lamission.edu/mathcenter for more information.

CHILD DEVELOPMENT CENTER / LAB PROGRAM

The Child Development Center, established in 1976, is a unique program committed to providing the highest quality care and education for the youngest members of the LAMC community.

We are a caring, dedicated and connected community of:

Young Children: We provide care and education for children ages six weeks through kindergarten. Children are respected for their unique needs, abilities and interests at each stage of their developmental path.

Staff: Our highly qualified and dedicated staff provides a warm, welcoming and nurturing setting for meaningful learning experiences. The expertise of our faculty and master teachers, with the assistance of student teachers, ensures that the essential experiences in each of our five rooms lay the foundation for all future learning.

Families: Families play an integral role in our Center community. We encourage families to be fully aware and involved in their child's education and development. The diverse strengths and backgrounds of our families enrich the learning experiences we share in our program.

Students: We provide a lab school for our child development student to apply theory to practice as they prepare for the workforce in early childhood education. College students from all disciplines have the opportunity to observe and participate in our program experiences.

Our high-quality program allows our student parents to pursue their college education so they can move forward on their career path. In this way LAMC supports learners of all ages! As a state funded program, children are enrolled for specific sessions based on parent's educational or employment needs. In addition to our CDC/Lab program, we are pleased to offer a network of Family Child Care Homes which offer child care and education for children ages six weeks through twelve years of age. Families must qualify under eligibility guidelines for either program. We are located on the east north corner of the campus. Stop by for more information including hours and availability!

THE NON-CREDIT PROGRAM

Our classes are designed to provide opportunities for personal enrichment, enhancement of job opportunities and preparation for a college career. Our instructors are trained in their fields and committed to providing you with the best education.

- Do you need to learn to speak English to advance your personal and career goals?
- Do you want to get your GED or need help passing the CAHSEE exams?
- Are you beginning your US citizenship process and want to prepare for the exam?
- Do you want to go back to school and need academic preparation and guidance?

If you answered “yes” to any of the questions above, the Non-Credit program can help you. We offer...

ENGLISH AS A SECOND LANGUAGE (ESL) CLASSES

Learn to read, write and speak English today! Learn to speak, read and write English through our free courses that focus on conversation and beginning grammar. We will assess and place you in a class that best fits your needs. One of our counselors will also monitor your progress and help you transition into higher level credit ESL classes on campus.

GED PREPARATION AND SERVICES

Pass your GED test today. We offer free preparation classes. The General Education Development (GED) certificate is widely accepted as an equivalent to a high school diploma. The certificate is earned by passing five official GED tests in the areas of writing, reading, social studies, science and mathematics.

Getting your GED certificate can make a big difference in your ability to get and keep a job or to qualify for further education. We will assess your math and English levels and place you into a class that best fits your needs. We offer free preparation classes that focus on reading comprehension and mathematics. We do not offer the GED test at our location but our program will monitor your progress, help you with the registration process and find a convenient location for you to take the test.

CITIZENSHIP TEST PREPARATION CLASSES AND EVALUATION OF FORM N-400.

Let us help you begin the process to become a U.S. citizen today!

During your naturalization eligibility interview, a USCIS Officer will test your ability to read, write, and speak English (unless you are exempt from the English requirements). You will also be given a civics test in English, to test your knowledge and understanding of U.S. history and government, unless you are exempt. Our classes will prepare you to pass the reading, writing and speaking tests. We also have services to help you complete the N-400 form and to answer any questions regarding the process.

Classes are FREE and Registration is fast and easy!

All services and classes are free of charge and open to everyone in the community. Don't wait any longer, call us today! For more information and for our schedule of classes please call 818.364.7774, or log on to <http://lamission.edu/noncredit>

ENGLISH AS A SECOND LANGUAGE (ESL) PROGRAM

Why should you enroll in the Credit ESL Program?

Our Mission is Your Success! To help you succeed in meeting your goals, our ESL Program provides...

- Dedicated, caring, and experienced instructors and staff
- Modern, technology-equipped classrooms
- State-of-the-art computer labs
- Multi-level program to meet your language development needs
- Day and evening classes to meet your busy schedule
- Financial Aid available for most students

Students who complete the 7-Level Credit ESL Program can...

- Succeed in other college courses
- Be prepared to continue their college studies and earn AA and AS Degrees or complete certificates in fields like Culinary Arts, Child Development, Multimedia, Computer Science and other fields
- Enhance job skills and career advancement
- Increase vocabulary and reading skill
- Improve oral and written communication

Go to **www.lamission.edu** and click on “**Apply Online**” or come in person with your valid picture ID to complete an application and start the registration process. Once you have applied, we provide Assessment, Orientation, and Counseling to help you enroll in the correct ESL classes.

ESL Program

Levels and Classes

The ESL program consists of seven levels of instruction. Research in language acquisition advises that skills not be taught in isolation. Consequently, some ESL classes are combined, and other ESL classes have corequisites. Students receive maximum benefit by taking all classes in each level concurrently.

Level 1: ESL 1 integrated (combined skills) -12 units MTWTh

Level 2: ESL 2 integrated (combined skills) -12 units MTWTh

Levels 3, 4, 5 and 6 have A, B, and C components:

ESL 3A, 4A, 5A, 6A: Writing/Grammar, 6 units, MW

ESL 3B, 4B, 5B, 6B: Reading/Vocabulary, 3 units, TTh

ESL 3C, 4C, 5C, 6C: Listening/Speaking, 3 units, TTh

Level 7: ESL 8: Advanced ESL Composition - 6 units, MW
ESL 8 is equivalent to English 28 and satisfies the prerequisite for English 101.

Assessment - Which Level Should I Take?

All new students must take the ESL Placement Test. The results of this test will indicate which level you should enroll in. The College does not accept assessment test results from other colleges or adult schools.

Once enrolled, students who believe they were incorrectly placed should confer with the ESL Department Chair.

For information, call **818.364.7666** (Dept. Chair)
or **818.364.7722** (Dept. Secretary).

El programa de (ESL) inglés como segundo lenguaje

Niveles y clases

El programa de (ESL) inglés como segundo lenguaje consiste en siete niveles de instrucción. El estudio en la adquisición del lenguaje recomienda la enseñanza de las habilidades integradas.

Consecuentemente algunas clases de (ESL) están combinadas y otras clases requieren pre-requisitos. Los estudiantes reciben el máximo beneficio tomando todas las clases en cada nivel al mismo tiempo.

Nivel 1: ESL 1, Habilidades Integradas - 12 unidades, MTWTh

Nivel 2: ESL 2, Habilidades Integradas - 12 unidades, MTWTh

Nivel 3, 4, 5, y 6 Comprende las asignaturas A, B, y C:

ESL 3A, 4A, 5A, 6A: Escritura/Gramática - 6 unidades, MW

ESL 3B, 4B, 5B, 6B: Lectura/Vocabulario - 3 unidades, TTh

ESL 3C, 4C, 5C, 6C: Escuchar/Hablar - 3 unidades, TTh

Nivel 7: ESL8: Avanzado ESL composición - 6 unidades, MW
ESL 8 es equivalente a inglés 28 y satisface los requisitos para inglés 101.

Examen - ¿Cuál nivel debo tomar?

Todos los estudiantes nuevos deben tomar el examen de ESL en. Los resultados de este examen le indicarán a qué nivel deberá inscribirse. El Colegio no acepta resultados de exámenes de otros colegios o escuela para adultos.

Una vez inscrito el estudiante que crea que fue asignado a un nivel incorrecto deberá comunicarse con su instructor o el jefe del departamento de ESL.

Para mas informacion llama al **818.364.7666**.

ANNOUNCEMENT: Title 5, section 55035, prohibits students, who have completed 30 units of “remedial” (basic skills) course work, from enrolling in any additional credit basic skills courses. Starting with the Winter 2010 registration cycle, this requirement will be reinforced. If a student who has exceeded the 30 unit limit enrolls in a credit or noncredit ESL course, the student will be permitted to enroll in additional basic skills courses. Also, Title 5 exempts students with learning disabilities. The DSPS Office can authorize a system override for these students. The actual override functionality is in A&R so the DSPS Office will have to coordinate this effort with the Admissions Office. This restriction does not apply to non-credit basic skills courses. Students, who have exceeded the 30 unit limit, should be encouraged to enroll in non-credit basic skills courses.

ADMISSION & REGISTRATION

ADMISSION ELIGIBILITY

Persons who possess a high school diploma or its equivalent meet the basic eligibility requirement for admission to any public California two-year community college. Persons who do not possess a high school diploma or its equivalent but meet additional criteria are also eligible for admission if, in the judgment of the College Admissions Officer, they are capable of profiting from the instruction offered. Additional eligibility criteria include the following:

- Persons who are eighteen (18) years of age or older
- Persons who are apprentices, as defined by Section 3077 of the California Labor Code
- Persons in grades K-12, under special circumstances

The Los Angeles Community College District maintains a student record system that uses assigned identification numbers to identify an individual's records. This number shall be used at all campuses in this District. Changes in a student identification number may be made only in the Admissions Office. Information regarding other eligibility criteria and/or admission procedures is available in the Office of Admissions and Records. Students may receive Admissions and Records information by calling the department directly at **818.833.3322** during regular office hours. Students may also receive more detailed information online at our webpage: www.lamission.edu/admissions.

STUDENT SUCCESS & SUPPORT PROGRAM: MATRICULATION PROCESS

Senate Bill 1456 revised and renamed the Matriculation Act of 1986 as the Seymour-Campbell Student Success Act of 2012. Signed by Governor Brown on September 27, 2012, the program began on January 1, 2013 and will be implemented through stages over a five-year period.

The Student Success and Support Program (formerly Matriculation) supports the transition of new students into the college by providing services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

Effective Fall 2014, based on student responses to the Los Angeles Mission College application for admission, students will be identified as matriculating or non-matriculating. Students identified as matriculating are referred to core matriculation services: assessment placement, orientation, and counseling. Students must complete the assessment placement, orientation, and counseling (abbreviated student educational plan) prior to their priority registration date and time. The abbreviated student educational plan is provided during the in-person orientations. After registration and sometime during the semester, a comprehensive student educational plan must be completed within a reasonable time period by making an appointment to meet with a counselor. Non-matriculating students are exempt from participating in the core matriculation services, but are advised to access these services if they plan to pursue a degree or certificate.

STUDENT RIGHT AND RESPONSIBILITIES: (TITLE 5 SECTION 55530)

- Identify an educational and career goal
- Diligently engage in course activities and complete assigned coursework
- Complete courses and maintain progress toward an education goal and completing a course of study
- Matriculating Student:
 - a. Must identify a course of study
 - b. Participate in the assessment placement process
 - c. Complete an orientation activity provided by the college
 - d. Participate in counseling to develop at minimum an abbreviated student education plan
 - e. Failure to complete a, b, c, and d (above) may result in a hold on a student's registration or loss of registration priority until the services have been completed.
 - f. A comprehensive educational plan must be completed by the 3rd semester or after completion of 15 semester units of degree applicable coursework (effective Fall 2015).

STATEMENT OF PHILOSOPHY

Los Angeles Mission College is committed to serving adults of all ages who can profit from instruction and provides open access to programs in transfer, occupational, general, transitional and continuing education, as well as community services.

In carrying out these functions and responsibilities, the District colleges have an obligation to assist students in attaining their educational goals by providing information and guidance concerning the choices that are available to them. Students, in turn, have a responsibility to pursue their goals with respect for college standards and a sense of accountability in the use of public funds.

THE MATRICULATION PROCESS: A STEP-BY-STEP GUIDE

STEP 1 COMPLETE AND SUBMIT AN ONLINE APPLICATION FOR ADMISSION

Online Application Process:

- GO TO www.lamission.edu and click on "Apply Online."
- You will be sent directly to the CCCApply.Org website, where you will follow the steps listed on the website.
- Allow approximately five to seven working days (excluding holidays and weekends) for the processing of your online application.
- Once your on-line application is successfully processed, you will receive an email confirmation containing your STUDENT IDENTIFICATION NUMBER and information explaining how to access your district wide registration appointment online. Your student identification number will allow you to access the registration system.

ADVISORY: As per LACCD policy, only online applications will be accepted by Admissions. However, in rare and unusual circumstances, paper applications may be accepted with prior administrative approval of the Vice President of Student Services.

For more Information:

- Visit www.lamission.edu/admissions
- Stop by the Admissions Office in the Student Services Lobby located in the Instructional Building.
- Call **818.833.3322** during our regular office hours, which are subject to change. Check www.lamission.edu/admissions for current office hours.

STEP 2 ASSESSMENT

Campus Center Lower Level, Room 1529

ALL students who have submitted an application and have been issued a STUDENT IDENTIFICATION NUMBER are required to take the assessment tests in English or English as a Second Language (ESL) and Math, unless exempt (please refer to exemptions below). The assessment process helps to place students in classes where they are most likely to succeed. Assessments are available on a walk-in basis, Monday through Thursday. See website for current office hours: www.lamission.edu/assessment. Students must have their STUDENT IDENTIFICATION NUMBER and present a valid form of picture ID prior to taking the assessment tests.

PLEASE NOTE: The Math assessment process requires students to self-select the appropriate test level (Algebra Readiness, Elementary Algebra, Intermediate Algebra or Pre-Calculus). For more information on choosing the appropriate Math assessment test, please visit lamission.edu/math/mdtp_preparation.aspx

Any student with a verified disability may arrange for alternative administration of the Assessment Placement Process (English, Reading, and Mathematics) by contacting the Disabled Student Program and Services (Instructional Building Room 1018) at 818.364.7732.

ADMISSION & REGISTRATION

Assessment Results:

Once the assessment tests have been completed, it will take approximately 24 hours for the results to be available. Full assessment reports will be available for pick up at the Assessment Center approximately 24 hours after test completion.

Assessment reports for tests taken on Thursdays will be available for pick-up the following Monday.

Students may also view their assessment results on the Student Information System – eweb2.laccd.edu/WebStudent/signon.asp

For more Information:

- Visit www.lamission.edu/assessment
- Stop by the Assessment Office in the Campus Center Lower Level Room 1529.
- Call **818.364.7613**

STEP 3 GROUP AND ONLINE ORIENTATION

Once assessment tests have been completed and results received, all new students are strongly encouraged to complete an orientation for priority registration consideration, unless exempt (please refer to the exemptions below). Orientation presents important information about the college, educational programs, requirements, resources and services that will help students register for classes and succeed in meeting their goals.

LAMC offers group and online orientations. Group orientations are conducted by a counselor who will review the College Catalog and Schedule of Classes to assist students in completing a first semester Abbreviated Student Educational Plan (ASEP). Students may sign up for the group orientation in the Counseling Office.

The online orientation can be accessed through the following link www.onlineorientation.net/lamission. Students who choose to complete the online orientation are strongly encouraged to sign-up for a student educational planning workshop in the Counseling Office to complete an Abbreviated Student Educational Plan (ASEP). Additionally, students who complete the online orientation must print the confirmation page and submit it to the Counseling Office for orientation credit towards priority registration consideration.

For more Information:

- Visit www.lamission.edu/sssp
- Stop by the Counseling Office in the Instructional Building, Administration Wing.
- Call **818.364.7655** or **818.364.7656**

STEP 4 COUNSELING

All new and returning students are strongly encouraged to meet with a counselor before registering for courses to develop an Abbreviated Student Educational Plan (ASEP), unless exempt (please refer to exemptions below). New students will need to declare a program of study and complete a Comprehensive Student Educational Plan (CSEP) before completing 15 degree applicable units or by their third semester. Completion of a CSEP will help students meet one of the criteria to maintain priority registration. It is recommended that all new and continuing students meet with a counselor regularly as it provides an opportunity to review educational goals, course requirements, research majors, plan courses, receive updates and review progress towards their educational goal. Please contact the Counseling Office for appointment and drop-in availability.

For more Information:

- Visit www.lamission.edu/counseling
- Stop by the Counseling Office in the Instructional Building, Administration Wing
- Call **818.364.7655** or **818.364.7656**

STEP 5 APPLY FOR FINANCIAL AID

All students are encouraged to apply for financial aid. Eligible students should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. The FAFSA is used to determine eligibility for federal and state financial aid, including grants, work-study, and loans. California residents can also apply for the California College Promise Grant (formerly known as the Board of Governor's (BOG) Fee Waiver) through either the FAFSA or a separate paper application, available at the Financial Aid Office and on our website at www.lamission.edu/financialaid, under "Financial Aid Forms." Eligible AB540 students can apply for state financial aid (California College Promise Grant and Cal Grants) through the California Dream Act Application (CADAA), available online at www.caldreamact.org.

STEP 6 REGISTER FOR COURSES

The following registration groups will register in this order:

Group 1: New and fully matriculated students as follows:

- Members of the armed forces or veterans in good standing with fewer than 100 degree-applicable units
- CalWORKs recipients in good standing with fewer than 100 degree-applicable units
- Disabled Student Programs and Services (DSPS) students in good standing with fewer than 100 degree-applicable units
- Extended Opportunity Programs and Services (EOPS) students in good standing with fewer than 100 degree-applicable units
- Foster youth or former foster youth, regardless of academic standing and units taken

Group 2:

- Continuing students in good standing with less than 100 degree-applicable units
- middle college students in good standing with less than 100 degree-applicable units
- new, fully matriculated students
- returning exempt

Group 3: Students who have lost their enrollment priority

Group 4: Special K-12 admits pursuant to Education Code section 76001

EXEMPTIONS (TITLE 5 SECTION 55532)

Exemption from core matriculation services (assessment, orientation and counseling) if the student:

1. Has completed an associate degree or higher;
2. Has enrolled at the college for a reason other than career development or advancement, transfer, attainment or a degree or certificate, or completion of a basic skills or English as a Second-Language course sequence;
3. Has completed these services at another community college within a time period as identified by the district;
4. Has enrolled at the college solely to take a course that is legally mandated for employment as defined in section 55000;
5. Has enrolled at the college as a special admit student pursuant to Education Code section 76001

PREREQUISITES, COREQUISITES & ADVISORIES

Prerequisite: A class or skill you must have prior to enrolling in the target class. The faculty of that discipline requires the prerequisite because they feel it is necessary for you to succeed in the target course.

Corequisite: A class that must be taken simultaneously with the target course. A corequisite may be completed with passing grade ("C" or better) prior to enrollment in the target course.

Advisory: A class or skill you are advised to have, but not required to have, prior to enrolling in the target course

Target Course: Any course which the faculty has determined that requires completion of a prerequisite, corequisite, or advisory course

Placement Level: The outcome from the assessment process which is used for placing students into the appropriate level of English, Mathematics, and English as a Second Language courses

REGISTRATION LIMITATION

All students need to demonstrate meeting the prerequisite or corequisite requirement in order to enroll into the target course.

- If the student satisfies the requirement by completing a class with a grade of "C" or better at LAMC or through the assessment process, he/she will be cleared for registering into the target course.
- If the student has satisfied the prerequisite or corequisite and/or placement at another college or through another method, he/she must submit the appropriate documentation (i.e. an official transcript or CCC placement results) to the Counseling Department located in the Instructional and Student Services Building (818.364.7655).

Once a counselor reviews the documents and finds that the prerequisite or corequisite has been satisfied, the counselor will issue a course placement authorization form. This form, once signed by the counselor, needs to be turned into the Admissions office along with the necessary add slip by the student for processing.

PREREQUISITE CHALLENGE PROCEDURE

All students need to demonstrate meeting the prerequisite or corequisite requirement in order to enroll into the target course.

- If the student satisfies the requirements by completing a class with a grade of "C" or better at LAMC or through the assessment process, he/she will be cleared for registering into the target course.
- If the student has satisfied the prerequisite or corequisite and/or placement at another college or through another method, he/she must submit the appropriate documentation (i.e. an official transcript or CCC placement results) to the Counseling Department located in the Instructional and Student Services Building.

Once a counselor reviews the documents and finds that the prerequisite or corequisite has been satisfied, the counselor will issue a course placement authorization form. This form, once signed by the counselor, needs to be turned into the Admissions Office along with the necessary add slip by the student for processing. Students without transcripts or other proof of meeting the specified prerequisite or corequisite but who believe that they have other clear and reliable evidence that they are adequately prepared to take the target course may go through the prerequisite or corequisite challenge process.

RIGHT TO CHALLENGE PREREQUISITES

Students have the right to file a challenge for any prerequisite or corequisites. Challenges can be based upon the following:

- The student has the knowledge or ability to succeed in the target course despite not meeting the prerequisite or corequisite. (Criteria for challenging based on knowledge or ability to succeed will be determined by each Academic Department.)
- The prerequisite or corequisite is not valid because it has not been established in accordance with the District's policy.
- The prerequisite or corequisite is being applied in an unlawfully discriminatory manner.
- The prerequisite or corequisite has not been made reasonably available, causing the student undue delay in completing his/her educational goal.

PREREQUISITE CHALLENGE PROCESS

1. Pick up the challenge form at the Counseling Office. It is required that students seeking to go through the challenge process meet with a counselor to discuss the process in further detail.
2. All challenge forms must be submitted at least five (5) working days prior to the first day of instruction as stated in the Schedule of Classes (please note: the challenge process takes five working days to complete). Challenges filed after this deadline will be considered for the following semester. If the challenge is approved or the college fails to resolve the challenge within 5 working days, the student shall be allowed to enroll in the course.
3. Once a petition packet is complete (including standard and discipline specific documents), the student will deliver it to the department responsible for the prerequisite or corequisite course. Once a complete packet is received, the department will have five (5) working days within which to make its decision, whereupon the department chair or department designee will sign and date the petition. Incomplete petition packets will not be accepted. If the Chair and/or Vice Chair is the instructor of the course that the student wishes to enter, then the Chair and/or Vice Chair will identify another faculty member in the discipline to review and approve the challenge form.
4. Upon review of the challenge, within three (3) working days of reaching its decision, the responsible department will attempt to notify the student using contact information provided on the petition form. All students requesting further information will be directed to contact the counselor of record. A copy of the form will be filed in the department office and the original will be returned to the counseling department.
 - If the challenge is approved, the student must obtain a course placement authorization from the counseling department and take it to Admissions along with the necessary add form for processing.
 - If the challenge is denied, the student may be able to appeal the decision to the Vice President of Academic Affairs (see petition form for more details). Notification of the appeal decision will be sent to the student within 5 working days after its receipt. Students with complaints or challenges to any matriculation provision may appeal to the Vice President of Student Services.

MATH 137 PRE-STATISTICS ALGEBRA – 5 UNITS**Prerequisites:** MATH 110 or MATH 112

Introduces algebra topics and the basic elements of exploratory data analysis. Topics in the course include: solving algebraic equations, simplifying algebraic expressions, data analysis, sample statistics and graphs, measures of central tendency and spread, functions and their graphs, probability, sequences and series, and exponential and logarithmic functions. This class is intended as preparation for students who wish to take Statistics. Students wishing to take other 200 level math courses will require Math 125 and should consult the college catalog for prerequisites.

MATH 157 JUST IN TIME SUPPORT FOR STATISTICS – (NDA) 1 UNIT**Corequisite:** MATH 227

Course covers core mathematics skills and concepts needed for elementary statistics. Intended for students who are concurrently enrolled in Math 227, Elementary Statistics, at Los Angeles Mission College. Topics include concepts from arithmetic, pre-algebra, elementary and intermediate algebra that are needed to understand the basics of elementary statistics: numbers and the number lines, operations on numbers, sets, equations and inequalities, graphing points and lines in two dimensions, reading tables and graphs, and approximating areas.

MATH 227 STATISTICS – (UC/CSU) 4 UNITS

Prerequisites: MATH 125 or MATH 123C or MATH 134 or MATH 137

Course covers descriptive statistics, basic probability theory and inferential statistics with emphasis on understanding statistics methods. Topics include summarizing data; descriptive statistics; probability; discrete distributions; continuous distributions; sampling distributions; estimation and confidence intervals; hypothesis testing and inference; correlation and linear regression; analysis of variance (ANOVA), chi-square and t-tests; applications using data from disciplines including business, social sciences, psychology, life science, health science, and education. The use of technology such as Excel, Minitab, or StatCrunch is integrated into the course to perform statistical analysis and the relevance of the statistical findings is interpreted.

GENERAL POLICIES

This schedule is an official publication of Los Angeles Mission College. It sets forth rules and regulations and, in case of conflict with information previously published, supersedes those publications of earlier date.

MISSION OF LOS ANGELES COMMUNITY COLLEGES

The mission of the Los Angeles Community Colleges is to provide comprehensive lower-division general education, occupational education, transfer education, transitional education, counseling and guidance, community services, and continuing education programs which are appropriate to the communities served and which meet the changing needs of students for academic and occupational preparation, citizenship, and cultural understanding.

IN PURSUIT OF THIS MISSION, WE ENDEAVOR TO:

- Promote equal opportunity for participation;
- Maintain appropriate standards for academic achievement;
- Provide an educational environment which meets the needs of students with varied learning skills;
- Provide support services which contribute to instructional effectiveness and student success;
- Affirm the importance of multi-cultural, international, and intercultural collegiate experiences that foster individual and group understanding; and
- Manage effectively educational and financial resources.

STUDENTS' STATEMENTS

Falsification of any record or signed statement, or the withholding of information, subjects the student to immediate suspension or expulsion.

INSTRUCTIONAL MATERIALS

Students may be required to provide instructional and other materials required for a credit or noncredit course. Such materials shall be of continuing value to a student outside of the classroom setting and shall not be solely or exclusively available from the District.

WITHDRAWAL

Students wishing to drop a class or withdraw from the college during the semester may do so easily online through the Student Information System at mycollege.laccd.edu or in person during the Admissions & Records Office hours. Failure to withdraw officially may result in an "F" grade. For the Fall 2018 semester for sixteen week classes, students must withdraw **online** on or before September 9, 2018 in order to receive a W. Students in late start, short term, or special program classes must check with the Admissions & Records Office to determine the official drop date. **IT IS THE STUDENT'S RESPONSIBILITY TO WITHDRAW OFFICIALLY.**

HOW TO DROP CLASSES OR WITHDRAW FROM COLLEGE

Dropping classes or withdrawing from the college must be done by the drop date deadline for that class.

To drop classes online, have your student identification number ready and go to www.lamission.edu. Click on the upper right corner "Register for Classes," then select registration and select drop. Follow the prompts. Make a note of your confirmation number and check that your class shows as "dropped".

Fees are not automatically refunded. Fee refunds must be requested from the Business Office if you drop classes or withdraw by the refund deadline for that class. Refund deadlines are earlier for short term classes.

Students in short term classes must check withdrawal deadlines with the appropriate program director, the instructor or with the Admissions & Records office.

WITHDRAWAL FROM CLASSES

FOR FALL 2018 SEMESTER: No notation ("W" or other) will appear on the student's record if the class is dropped online on or before September 9, 2018.

THROUGH THE 11th WEEK: A notation of "W" (withdrawal) is recorded on the student's record for classes dropped during the 4th through the 11th week of the semester.

AFTER THE 11th WEEK: Students who remain in class beyond the 11th week (or 75% of the class for short term classes) are given a grade by the instructor. **THAT GRADE CANNOT BE A "W" (withdrawal).**

IMPORTANT - ALL STUDENTS PLEASE READ: BEGINNING SUMMER 2012: 3 REPEAT RULE

Effective summer 2012, course withdrawal ("W") or a substandard grade ("D," "F," or "NP") count as an attempt at a course. Only three attempts at any one course will be allowed, with some exceptions. Listed below are the new rules that all students need to know about.

- Students who drop or are excluded after the last day to drop without a grade of "W" will have a "W" appear on their transcript. The "W" will count as an attempt for that course.
- For the FALL 2018 semester, September 9, 2018 is the last day to drop online a 16-week semester length class without a "W." Students will be able to drop a class online until this date. Contact the office of Admissions and Records for deadlines on late start, short-term and special program classes.
- A course in a student's transcript which currently shows a recorded "W" counts as an attempt for that course.
- Students will not be allowed to register for any course within the LACCD if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.
- Add permits for a course within the LACCD will not be processed if there are three recorded attempts for that course in any combination of W, D, F, or NP grades.

- For courses specifically designated as “repeatable,” students may repeat up to three times. (See Title 5 California Code of Regulations sections 55040, 55041, 58161)
- Where the student’s number of enrollments in a course exceeds the allowable amount, the student may petition for an additional enrollment in cases of extenuating circumstances.

What students should do:

- Be sure you are academically ready for classes you enroll in.
- If you must drop a course, drop before the specified deadline for dropping a class without a grade of “W.”

ACCESS TO RECORDS

The California Legislature passed S.B. 182 (Stull), which codifies provisions of the Education Code and the Federal statutes implementing the Family Educational Rights and Privacy Act of 1974 (Buckley Amendment). This permits students to inspect their personally identifiable records maintained by the college, and permits access to these records only upon the student’s request (other than to certain specified categories). Information on these laws and college procedures in implementing them may be obtained from the Associate Dean of Admissions, who serves as the College Records Officer. Copies of pertinent State and Federal legislation are available for inspection.

Los Angeles Mission College considers the following information relating to a student to be directory information: student’s name, city of residence, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Students who do not wish any or all of the above categories of information to be given out should so indicate on their application at time of enrolling. Students are asked to voluntarily provide their student identification number for this purpose.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY

The Family Educational Rights and Privacy Act (FERPA) affords students the following rights with respect to their educational records:

1. The right to inspect and review the student’s education records which includes discipline records, within 45 days from the date the College receives a request for access.
 - Students may submit to the College Admissions Office written requests that identify the specific record(s) they wish to inspect. Within 45 days, the College Admissions Office will make arrangements for access and will notify the student of the time and place where the records may be inspected.
 - Education records are those records that are directly related to students and are maintained by the College. Students may not inspect education records pertaining to parents’ financial records and certain confidential letters or recommendations.
2. The right to request an amendment of the student’s educational records which the student believes to be inaccurate, misleading or otherwise in violation of the student’s privacy rights.

- With the exception of grade grievances which are handled through Administrative Regulation E-55, students may ask the College President, or his/her designee to amend a record that they believe is inaccurate, misleading, or in violation of their privacy rights. A student seeking to amend an educational record should write to the College President and clearly identify the part of the record he/she wants changed and specify why it is inaccurate, misleading, or in violation of his/her privacy rights.
 - If the College President, or his designee, decides not to amend the record as requested by the student, the College, in accordance with section 99.21 of the Code of Federal Regulations and section 76232 of the Education Code, will notify the student of the decision and of his/her right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s educational records, except to the extent that FERPA and California law authorize disclosures without consent.
 - If a student authorizes the release of his/her education record to a third party, he/she shall provide a dated written consent to the College Admissions Office authorizing said release with a specific list of the information to be released.
 - Federal and California law authorize certain disclosures of personally identifiable information without a student’s written consent. One such exception is the disclosure of personally identifiable information to school officials with legitimate educational interests. School officials with legitimate educational interests are employees or agents of the Los Angeles Community College District who need to review educational records in order to fulfill their professional responsibilities.
 4. The right to restrict disclosure of personally identifiable information that the College has designated as directory information which may be released without the written consent of the student.
 - Directory information may be disclosed without a student’s consent unless the student has notified the college that he/she does not want all or portions of the directory information released. To do so, the student must submit the appropriate District form to the College Admissions Office requesting that some or all of the categories of directory information not be released without his/her consent. This form must be submitted in accordance with College policy.
 - Pursuant to Board Rule 5201.10, the Los Angeles Community College District has designated the following student information as directory information:
 - (a) the student’s name, city of residence, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most previous educational agency or institution attended by the student;
 - (b) student employee records may be released in order to comply with collective bargaining agreements;

- (c) the names, addresses and telephone numbers of students or former students may be released to the foundation for each college for college-related activities at the discretion of the College President, unless the student or former student has informed the College that such information should not be released. The release of this information is conditioned upon the foundation's agreement that such information will be released in accordance with District policy and that information will not be released to third parties;
- (d) at the discretion of the College President, the names, addresses and telephone numbers of students from the College may be released to heads of private and/or public institutions of higher education, or their designees, for the purpose of providing information to student regarding transfer opportunities to those institutions, unless the student has indicated that such information should not be released. The release of this information will be conditioned upon the institution's agreement that student privacy rights under federal and state law will be protected and that information will not be released to third parties.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:
Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue S.W.
Washington, DC 20202-4605

STUDENT RIGHT-TO-KNOW DISCLOSURE

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the Los Angeles Community College District and Los Angeles Mission College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2013 a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students was tracked over a three-year period. Their completion and transfer rates are listed below. These rates do not represent the success rates of the entire student population at the College, nor do they account for student outcomes occurring after this three-year tracking period.

Based upon the cohort defined above, 15.61 percent attained a certificate, degree, or became 'transfer-prepared' during a three-year period from Fall 2013 to Spring 2016. Students who are "transfer-prepared" have completed 60 transferable units with a GPA of 2.00 or better.

Based upon the cohort defined above, 7.96 percent transferred to another post-secondary institution prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five-semester period from Spring 2014 to Spring 2016.

Further information about Student Right-To-Know Rates and how they should be interpreted can be found at the California Community Colleges Chancellor's Office Student Right-To-Know Disclosure website located at <http://srtk.cccco.edu/index.asp>

STUDENT GRIEVANCE PROCEDURE

The purpose of the Student Grievance Procedure is to provide a prompt and equitable means for resolving student grievances. The grievance procedure may be initiated by a student or group of students who reasonably believe he/she/they have been subject to unjust action or denied rights that adversely affect his/her/their status, rights, or privileges as a student. It is the responsibility of the student(s) to submit proof of alleged unfair or improper action.

Grievances pertaining to grades are subject to California Education Code Section 76224(a) which states:

"When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final."

This grievance procedure does not apply to the challenge process for prerequisites, corequisites, advisories, and limitations on enrollment; alleged violations of sexual harassment; actions dealing with student discipline; alleged discrimination on the basis of ethnic group identification, religion, age, sex, color, sexual orientation, physical or mental disability; or an appeal for residency decision; or to eligibility, disqualification, or reinstatement of Financial Aid. Informal resolution is encouraged.

A written Statement of Grievance must be submitted to the Compliance Officer within thirty (30) instructional days of the incident or after the student(s) learns of the basis for the grievance.

RECORDING DEVICES IN THE CLASSROOM

Section 78907 of the California Education Code prohibits the use of any electronic listening or recording device without prior consent of the instructor. Any student violating this section is subject to disciplinary action. Any non-student who willfully violates this section is guilty of a misdemeanor.

STANDARDS OF STUDENT CONDUCT AND DISCIPLINARY ACTION

Falsification of any record or signed statement or the withholding of information subjects the student to immediate suspension or expulsion. A student enrolling in one of the Los Angeles Community Colleges may rightfully expect that the faculty and administrators will maintain an environment in which there is freedom to learn. This requires that there be appropriate conditions and opportunities in the classroom and on the campus. As members of the college community, students should be encouraged to develop the capacity for critical judgment, to engage in a sustained and independent search for truth, and to exercise their rights to free inquiry and speech in a responsible, non-violent manner. Students shall respect and obey civil and criminal law and they shall be subject to legal penalties for violation of laws of the city, county, state, and nation. Student conduct in all of the Los Angeles Community Colleges must conform to District and college rules and regulations.

Violations of such rules are subject to the following types of

disciplinary actions, which are to be administered by appropriate college authorities against students who stand in violation. Each of the Los Angeles Community Colleges shall establish due process of law for administration of the penalties enumerated here. Penalties are listed in degree of severity but not as chronological administration. College authorities will determine which type of penalty is appropriate.

1. **WARNING** – Notice to the student that continuation or repetition of specified conduct may be cause for other disciplinary action.
2. **REPRIMAND** – Written reprimand for violation of specified rules. A reprimand serves to place on record that a student's conduct in a specific instance does not meet the standards expected at the college. A person receiving a reprimand is notified that this is a warning that continued conduct of the type described in the reprimand may result in formal action against the student.
3. **DISCIPLINARY PROBATION** – Exclusion from participation in privileges or extra-curricular college activities set forth in the notice of disciplinary probation for a specified period of time. The imposition of disciplinary probation involves notification in writing of the reason for disciplinary probation to the student(s) or president of the student organization involved.
4. **RESTITUTION** – Reimbursement for damage or for misappropriation of property. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damage.
5. **SUMMARY SUSPENSION** – A Summary Suspension is for purposes of investigation. It is a means of relieving the tension of the student body or individual class due to a serious infraction of student behavior standards, removing a threat to the well-being of the students, or removing for the good order of the college a student or students whose presence would prevent the continued normal conduct of the academic community. Summary Suspension is limited to that period of time necessary to insure that the purposes of the Summary Suspension are accomplished, and in any case, no more than a maximum of 10 school days. Summary Suspension is a type of suspension other than that ordinarily invoked by the instructor in the classroom. The College President, appropriate administrator, or other staff member designated by the President may summarily suspend a student when he deems it necessary for the safety and welfare of the college.
6. **DISCIPLINARY SUSPENSION** – Disciplinary Suspension follows a hearing based on due process of law. It shall be invoked by the College President, appropriate administrator, or other staff member designated by the President, upon students for misconduct when other corrective measures have failed or when the seriousness of the situation warrants such action.
7. **EXPULSION** – An expulsion is a long-term or permanent denial of all campus privileges including class attendance. The President of the college and/or the Board of Trustees may expel a student who has been convicted of a crime arising out of a campus disturbance or, after a hearing by a campus body, has been found to have willfully disrupted the orderly operation of the campus. The President shall submit periodic reports on all expulsion cases to the Superintendent and the Board of Trustees.

VIOLATIONS OF THE STANDARDS OF STUDENT CONDUCT ARE AS FOLLOWS:

9803.10 Willful Disobedience: Willful disobedience to directions of college officials acting in the performance of their duties.

9803.11 Violation of College Rules and Regulations: Violation of college rules and regulations, including those concerning student organizations, the use of college facilities, or the time, place, and manner of public expression or distribution of materials.

9803.12 Dishonesty: Dishonesty, such as cheating, or knowingly furnishing false information to colleges.

9803.13 Unauthorized Entry: Unauthorized entry to or use of the college facilities.

9803.14 College Documents: Forgery, alteration, or misuse of college documents, records, or identification.

9803.15 Disruption of Classes or College Activities: Obstruction or disruption of classes, administration, disciplinary procedures, or authorized college activities.

9803.16 Theft of or Damage to Property: Theft of or damage to property belonging to the college, a member of the college community or a campus visitor.

9803.17 Interference with Peace of College: The malicious or willful disturbance of the peace or quiet of any of the Los Angeles Community Colleges by loud or unusual noise, or any threat, challenge to fight, fight, or violation of any rules of conduct as set forth in this Article.

9803.18 Assault or Battery: Assault or battery, abuse, or any threat of force or violence directed toward any member of the college community or campus visitor engaged in authorized activities.

9803.19 Alcohol and Drugs: Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230; any use of controlled substances the possession of which are prohibited by same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District. "Controlled substance," as used in this section includes, but is not limited to, the following drugs and narcotics:

- a. opiates, opium, and opium derivatives,
- b. mescaline,
- c. hallucinogenic substances,
- d. peyote
- e. marijuana,
- f. stimulants and depressants,
- g. cocaine.

9803.20 Lethal Weapons: Possession, while on a college campus or at a college-sponsored function, of any object that might be used as a lethal weapon is forbidden by all persons except sworn peace officers, police officers, and other government employees charged with policing responsibilities.

9803.21 Discriminatory Behavior: Behavior while on a college campus or at a college-sponsored function, inconsistent with the District's non-discrimination policy, which requires that all programs and activities of the Los Angeles Community College District be operated in a manner which is free of discrimination on the basis of race, color, natural origin, ancestry, religion, creed, sex, pregnancy, marital status, sexual orientation, age, handicap or veteran status.

9803.22 Unlawful Assembly: Any assemblage of two or more persons to (1) do an unlawful act, or (2) do a lawful act in a violent, boisterous or tumultuous manner.

9803.23 Conspiring to Perform Illegal Acts: Any agreement between two or more persons to perform an illegal act.

9803.24 Threatening Behavior: A direct or implied expression of intent to inflict physical or mental/emotional harm and/or actions (such as stalking) which a reasonable person would perceive as a threat to personal safety or property. Threats may include verbal statement, written statements, telephone threats or physical threats.

9803.25 Disorderly Conduct: Conduct that may be considered disorderly includes lewd or indecent attire, behavior that disrupts classes or college activities, breach of the peace of the college, aiding or inciting other persons to breach the peace of college premises or functions.

9803.26 Theft or Abuse of Computer Resources: Theft or Abuse of Computer Resources including but not limited to the following:

- a. Unauthorized entry into a file to use, read, or change the contents, or for any other purpose.
- b. Unauthorized transfer of a file.
- c. Unauthorized use of another individual's identification or password.
- d. Use of computing facilities to interfere with the work of a student, faculty member or college official, or to alter college or district records.
- e. Use of unlicensed software
- f. Unauthorized copying of software
- g. Use of computing facilities to access, send or engage in messages which are obscene, threatening, defamatory, present a clear and present danger, violate a lawful regulation and/or substantially disrupt the orderly operation of a college campus.
- h. Use of computing facilities to interfere with the regular operation of the college or District computing system.

9804 Interference with Classes: Every person who, by physical force, willfully obstructs, or attempts to obstruct, any student or teacher seeking to attend or instruct classes at any of the campuses or facilities owned, controlled or administered by the Board of Trustees of the Los Angeles Community College District, is punishable by a fine not exceeding five hundred dollars (\$500) or imprisonment in a county jail not exceeding one year, or by both such fine and imprisonment.

9805 Interference with Performance of Duties of Employees: Action to cause, or attempt to cause, any employee of the District to do, or refrain from doing, any act in the performance of his or her duties by means of a threat to inflict any injury upon any person or property.

9805.10 Assault or Abuse of an Instructor: Assault or abuse of any instructor employed by the District in the presence or hearing of a community college student, or in the presence of other community college personnel or students, and at a place which is on District premises or public sidewalks, streets, or other public ways adjacent to school premises, or at some other place where the instructor is required to be in connection with assigned college activities.

9806 Unsafe Conduct: Conduct which poses a threat of harm to the individual and/or to others. This includes, but is not limited to, the following types of conduct: Unsafe conduct in connection with a Health Services Program (e.g., Nursing, Dental Hygiene, etc.); failure to follow safety direction of District and/or college staff; willful disregard of safety rules as adopted by the District and/or college; negligent behavior which creates an unsafe environment.

POLICY ON ILLEGAL FILE SHARING

Unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject students to civil and criminal liability. Civil liability for copyright infringement may include payment of monetary damages to the copyright owner. Criminal penalties for copyright infringement may include fines up to \$250,000 and imprisonment up to ten years. Students who violate the District's computing facilities usage policy (LACCD Administrative Regulation B-28) may also be subject to college disciplinary action, including, but not limited to, suspension or expulsion.

NON-DISCRIMINATION POLICY

All programs and activities of the Los Angeles Community College District shall be operated in a manner which is free of discrimination on the basis of ethnic groups identification, race, color, national origin, ancestry, religion, creed, sex, pregnancy, marital status, medical condition (cancer related), sexual orientation, age, physical or mental disability (including AIDS) or veteran status (Reference: Board Rule 15001).

POLÍTICA DE NO DISCRIMINACIÓN

Todos los programas y actividades de los colegios de la comunidad de Los Angeles se administrarán de una manera que no discrimine respecto a la identidad de grupos étnicos, raza, color, nacionalidad, origen, ascendencia, religión, credo, sexo, embarazo, estado civil, condición médica (relacionada con cáncer), preferencia sexual, edad, incapacidad mental o física (incluyendo SIDA) o el ser veterano.

COMPLIANCE PROCEDURE

In order to insure nondiscrimination policy compliance at Los Angeles Mission College, please direct inquiries to the President of the college, Dr. Monte E. Perez, 818.364.7795. Matters involving Section 504 may be directed to the Coordinator of Disabled Student's Program at 818.364.7733. In addition, inquiries may be directed to the District Office of Diversity Programs at 213.891.2315.

PROCESO DE ARBITRAJE

Para cumplir con la póliza no discriminatoria en Los Angeles Mission College, dirija sus preguntas a la oficina del Presidente, el Dr. Monte E. Perez, 818.364.7733. Para asuntos sobre la sección 504, favor de dirigirse al Coordinador de estudiantes incapacitados, 818.364.7733, además puede dirigir sus preguntas a la oficina "Diversity Programs," 213.891.2315.

COMPLIANCE OFFICER

If students feel they have grounds for a grievance, they may contact the college President, who will help explain college rules and regulations, and, if a problem is resolvable, suggest the best method for resolving the problem. For additional information and a copy of Administrative Regulation E-55 (Student Grievance Procedures), see the College President, Dr. Monte E. Perez, (818) 364-7795.

OFICIAL DE ARBITRAJE

Si un estudiante cree que tiene motivos para formular una acusación, puede comunicarse con el presidente del College que le ayudara dándole una explicación de las reglas y procedimientos de la institución. Si el problema puede ser resuelto, le dara una sugerencia de cual es la mejor manera de resolverlo. Para obtener información adicional y para conseguir la formula E55 de las regulaciones administrativas (student grievance procedure), por favor comunicarse con el Dr. Monte E. Perez , (818) 364-7795.

SEXUAL ASSAULT POLICY

The Los Angeles Community College District is committed to providing a safe environment for its students, faculty, and staff. The Los Angeles Community College District Board of Trustees condemns any act of sexual assault committed on any of its facilities. In the event of sexual assault committed on grounds or in facilities maintained and/or used by the District, any victim of a sexual assault who is one of the District's students, faculty, staff, or visitors shall promptly receive appropriate treatment and full and accurate information. Individuals who commit sexual assault while on properties within the control of the District shall be subject to appropriate criminal prosecution and/or District disciplinary procedures.

Confidentiality is fundamental to all aspects of cases dealing with sexual assault. The names of sexual assault victims shall not be revealed by persons responsible for implementing and enforcing the provisions of this Chapter, except with the consent of the victim. Victims of sexual assault may obtain a list of referrals to community agencies from the College Sheriff's office.

SEXUAL HARASSMENT POLICY

The Los Angeles Community College District has a policy which provides formal and informal procedures for resolving complaints. Copies of the policy and procedures may be obtained from the Title IX Coordinator by calling 818.364.7610 or by calling the District Office of Diversity, Equity and Inclusion at 213.891.2315. It is the policy of the Los Angeles Community College District to provide an educational, employment, and business environment free from unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment. Employees, students, or other persons acting on behalf of the District who engage in sexual harassment as defined in this policy or by state or federal law shall be subject to discipline, up to and including discharge, expulsion, or termination of contract.

DIVERSITY PROGRAM

The policy of the Los Angeles Community College District is to implement equal opportunity to all qualified employees and applicants for employment without regard to race, color, national origin, ancestry, religion, creed, sex, pregnancy, age, disability, marital status, medical condition (cancer related), sexual orientation, or veteran status. Positive action will be taken to ensure that this policy is followed in all personnel practices, including recruitment, hiring, placement, upgrading, transfer, demotion, treatment during employment, rate of pay or other forms of compensation, selection for training, layoff, or termination.

DRUG-FREE ENVIRONMENT

Los Angeles Mission College adheres to, supports, and is in full compliance with requirements that maintain our college as a drug-free institution of higher education.

On September 5, 1990, the Board of Trustees adopted the following standards of conduct:

- Students and employees are prohibited from unlawfully possessing, using or distributing illicit drugs and alcohol on District premises, in District vehicles, or as part of any activity of the Los Angeles Community College District.
- On April 20, 1989, the Los Angeles Community College District Board of Trustees adopted Rule 9803.19, which prohibits:
 - Alcohol and Drugs. Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230, any use of controlled substances, the possession of which are prohibited by the same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District. "Controlled substances," as used in this section, include, but are not limited to, the following drugs and narcotics:
 - a. opiates, opium and opium derivatives
 - b. mescaline
 - c. hallucinogenic substances
 - d. peyote
 - e. marijuana stimulants
 - f. depressants and
 - g. cocaine.

The Board's policy on the Drug Free Workplace, adopted March 22, 1989, restates these prohibitions.

- **Legal Sanctions.** Federal laws regarding alcohol and illicit drugs allow for fines and/or imprisonment. Other legal problems include the loss of driver's license and limitations of career choices.
- **Health Risks.** Health risks associated with the abuse of controlled substances include malnutrition, damage to various organs, hangovers, blackouts, general fatigue, impaired learning, dependency, disability, and death. Both drugs and alcohol may be damaging to the development of an unborn fetus.
- **Other Risks.** Personal problems include diminished self-esteem, depression, alienation from reality, and suicide. Social problems include loss of friends, academic standing, co- and extra-curricular opportunities, alienation from and abuse of family members, and chronic conflict with authority. Economic problems include loss of job, financial aid eligibility, homes, savings, and other assets.

Additionally, on June 28, 2000, the Board of Trustees adopted Rules 9803.24 Threatening Behavior, 9803.25 Disorderly Conduct, 9803.26 Theft or Abuse of Computer, and 9806 Unsafe Conduct. Each are fully described in Standards of Student Conduct.

SMOKING POLICY

In accordance with Board Rule 9804, smoking is permitted in designated areas only. A student who violates the rules is subject to the student disciplinary regulations.

CAMPUS CHILD DEVELOPMENT CENTER/ FAMILY CHILD CARE HOMES EDUCATION

818.364.7865 | www.lamission.edu/childev

The campus Child Development Center provides care and education for the children of Mission College student-parents (while they are attending classes) as well as for families in the community. A knowledgeable and professional staff provides an educationally enriching and developmentally appropriate program for children from birth through age five. While student-parents have priority registration, the Center is also open to community families. Off site, we have the Family Child Care

Homes Education Network that consists of a wide range of family child care providers who are located in the community around LAMC. Each provider has their own hours of operation which can include evening and weekend care. Qualified families may receive child care services for infants, toddlers, preschoolers, and school-age children with low or no fees. For hours and information contact the Child Development Center.

COLLEGE OMBUDSPERSON

818.364.7752

The college ombudsperson is a faculty member selected by the president to assist students in resolving issues or problems they may have with faculty or the college.

DISABLED STUDENT PROGRAMS & SERVICES (DSPS)

www.lamission.edu/dsps | 818.364.7732

DSPS provides services and accommodations for students with disabilities. Once a DSPS professional has made the determination that a student has a disability (usually through the review of documentation from a qualified professional), the student begins working with a DSPS counselor and/or the Disability Specialist to create a customized student education contract (SEC) that outlines the specific services and accommodations that may be needed for the student to be successful in their academic endeavors.

Additionally, students receive academic counseling support to create a student education plan (SEP) that is essentially the road map to completing a field of study which can include: basic skills development, certificate completion, AA/AS degree completion and/or preparation for transfer to a 4-year college or university. Visit us at www.lamission.edu/dsps for additional information.

EXTENDED OPPORTUNITY PROGRAMS & SERVICES/CARE

818.364.7645 | www.lamission.edu/eops

EOPS provides qualifying students with academic counseling, peer advisement, peer tutoring, free workshops, free university/cultural tours, transfer assistance, and assistance with books.

Single parents on CalWORKs may receive additional assistance through the CARE program.

EOPS/CARE students receive assistance to purchase their cap and gown for graduation. Graduating students are recognized at a special recognition ceremony toward the end of the semester.

STUDENT ACTIVITIES

818.364.7820 | www.lamission.edu/aso

The Student Activities offers many events/activities that welcomes students' participation; Student Government, student workshops, student clubs/organizations, fundraisers, dances, special events and welcome week. Student activities is also involved with the promotion of the campus Honor Awards events and the annual college commencement. All these activities are provided to support and enhance LAMC's student population college experience. Please visit Student Activities and/or the Associate Student Organization offices located on the lower floor of the Campus Center.

CAREER CENTER

www.lamission.edu/careercenter | 818.364.7655

Are you undecided about your major? Or perhaps you need more information about your chosen career. "Discover My Major" workshops include taking a career assessment to see what careers/majors are right for you. The Counselor and Career Coaches will assist you with career and major exploration to help you make informed decisions about your major and career path. We also provide "Be Job Ready" workshops which includes resume assistance, interview skills and dress for success. You can use our online resources to explore career options and also register on "Eagle Jobs," our online job board to find jobs, internships and volunteer opportunities. Look out for our annual Major Fair and Job Fair along with other career related workshops. Stop by the Career Center to make an appointment or call us. We are located at LRC/Library, Room 222

COUNSELING

www.lamission.edu/counseling | 818.364.7655 or 818.364.7656

All new and returning students are strongly advised to meet with a counselor before registering for courses to develop an abbreviated student educational plan (ASEP). Meeting with a counselor and completing an ASEP will count towards priority registration consideration. It is recommended that all students meet with a counselor regularly, as it provides an opportunity to review educational goals, course requirements, research majors, and plan courses. New students will need to declare a program of study and complete a comprehensive student educational plan (CSEP) before completing 15 degree applicable units, or by their third semester. Completion of a CSEP will help students meet one of the criteria to maintain priority registration. It is highly recommended for students to meet with a counselor each semester to receive updates and review progress towards their educational goal.

Online E-counseling is now available. Please visit www.lamission.edu/counseling for more information.

FINANCIAL AID & SCHOLARSHIPS

www.lamission.edu/financialaid | 818.364.7648

The Financial Aid Office offers many services to our students including financial aid awareness events and workshops. Financial aid advising is available by appointment with the Financial Aid Supervisor. Our staff can answer your questions about financial aid programs, processes and forms. STUDENT HEALTH FEE INFORMATION

The Los Angeles Community College Board of Trustees at its April 29, 1992 meeting modified Board rule 8502, thus making the \$11 Health Services fee a mandatory fee for all students enrolled in credit classes.

The Los Angeles Community College District policy exempts the following students from paying the student health fee: (a) students who depend exclusively on prayer for healing in accordance with the teaching of a bona fide religious sect, (b) students who are attending classes under an approved apprenticeship training program, (c) non-credit education students, (d) students enrolled in District colleges exclusively at sites where student health services are not provided, (e) students who are enrolled in District colleges exclusively through Instructional Television or distance education classes, (f) students who are enrolled in District colleges exclusively through contract education. Students exempted under the provisions of (a), (b) and (c) above are eligible to receive the services of the college health program; all other exempted students are not eligible to receive the services of the college health program.

Your registration fee receipt, or your current Student ID must be presented to receive services.

VIEWING YOUR RECORDS

Under the provisions of the Family Education Rights and Privacy Act of 1974 students may see their records by making an appointment with a counselor for this purpose.

LACCD STUDENT IDENTIFICATION NUMBER & CARD

To comply with federal privacy requirements, Los Angeles Mission College and the Los Angeles Community College District has discontinued use of the Social Security Number as the student's identification number. Instead, a new Student Identification Number will be issued for each student. The college can only release this number to the student. The new nine-digit number is randomly generated, but each will begin with the digits "88." Students will use the same Identification Number in all nine colleges of the District.

Your first Student ID Card is free. Go to the business office to obtain yours. Student Identification cards are only issued for the current semester. All current semester fees must be paid in full to receive a student identification card. You will need to present your student registration/receipt for the current semester and also a second form of picture Identification such as a California ID or a high school picture ID.

Visit www.lamission.edu/services/businessoffice for current office hours.

WHERE TO USE YOUR NEW STUDENT ID CARD:

A valid student ID card is required to access student services in the following areas:

- Library
- Student Store/Bookstore
- Financial Aid
- Health Center
- Computer Labs
- Health & Fitness Center

FINANCIAL AID & SCHOLARSHIPS

DO YOU NEED ASSISTANCE PAYING YOUR ENROLLMENT FEES?

The California College Promise Grant (formerly known as the Board of Governors Fee Waiver Program) is a California state program that waives enrollment fees. This grant does not have to be repaid.

Eligibility: Students must be either residents of California or qualify under AB540 for an exemption to paying California Nonresident Tuition, AND be enrolled at Los Angeles Mission College in at least one (1) unit. Fees for audited classes cannot be waived through the California College Promise Grant.

THERE ARE FOUR WAYS TO QUALIFY FOR THE CALIFORNIA COLLEGE PROGRAMS GRANT (CCPG) :

Method A: You (or your parents, if you are considered a Dependent student when completing the CCPG application) are a recipient of benefits under the TANF/ CalWORKs Program, SSI (Supplemental Security Income), or General Assistance (also known as General Relief).

Method B: You (or your parents) income falls below the income standards set by the California Community Colleges Board of Governors. By completing the FAFSA (or California Dream Act Application for eligible AB540 students) or CCPG application your reported income will be used to determine your eligibility for the CCPG through Method B.

Method C: If you do not qualify based on Method A or Method B, you may be eligible for the CCPG fee waiver through Method C. For eligible California residents, you must complete the Free Application for Federal Student Aid (FAFSA) available at www.fafsa.gov. For students qualifying under AB540 for an exemption to paying California Nonresident Tuition who do not possess a permanent Social Security number, you must complete the California Dream Act Application (CADAA) available at www.caldreamact.org. With this method, you may be eligible by demonstrating a minimal level of financial need as determined by the College and the California Community Colleges Chancellor's Office. Our Federal School Code (used on both the FAFSA and CADAA) is 012550.

Special Classifications Enrollment Fee Waivers: You can also qualify for the CCPG if you meet one of the following criteria: you have certification from the California Department of Veterans Affairs or the National Guard Adjutant General that you are eligible for a Dependent's Fee Waiver, you are a recipient of the Congressional Medal of Honor (or are a child of a recipient), you are a dependent of a victim of the September 11, 2001 terrorist attack, or you are a dependent of a deceased law enforcement/ fire suppression personnel killed in the line of duty.

How to apply: To qualify for Method A or the Special Classifications Enrollment Fee Waivers you must complete the California College Promise Grant (CCPG) Application. To qualify for Method B you can complete the CCPG Application, FAFSA, or CADAA. You can pick up the CCPG application at the Financial Aid & Scholarships Office or you may download it from the web at lamission.edu/financialaid by selecting the "Financial Aid Forms" link.

Do you know that you may request for a refund of your enrollment fees?

If you have already paid your enrollment fees for Summer 2018, Fall 2018, Winter 2019 and/or Spring 2019, AND you are eligible for the CCPG, contact the campus Business Office regarding a refund.

NOTE: Our office hours during the summer and winter terms may be different. Please consult our website for any updates.

Getting a college education is an investment in your future! We want your educational experience at Los Angeles Mission College to be challenging, rewarding and supportive; therefore, we are pleased to provide you with the information and tools

to assist you in completing your educational goals. Read through the information below about the financial aid process, and check out the links to our website and other websites to find updates and new information to assist you.

WHAT IS FINANCIAL AID?

Financial aid is funding provided by the federal and state governments, the college, and private entities, to assist students with their educational expenses and is available in the form of grants, scholarships, employment and loans. Financial aid is meant to supplement the family's existing resources in funding the costs of a college education.

HOW TO APPLY FOR FINANCIAL AID:

Eligible students who are U.S. citizens and eligible non-citizens should complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. The FAFSA is used to determine eligibility for federal and state financial aid, including grants, work-study, and loans. Students qualifying under AB540 for an exemption to paying California Nonresident Tuition who do not possess permanent Social Security numbers can apply for state financial aid (Cal Grants and the California College Promise Grant (CCPG) program) through the California Dream Act Application (CADAA) available online at www.caldreamact.org

Both the FAFSA and CADAA are available annually, starting October 1st, for the following academic year. We encourage students to apply early, as some financial aid sources are limited and awarded to students who apply early and have financial need. To have your FAFSA or CADAA information sent to Los Angeles Mission College, make sure to use our **School Code: 012550**.

To apply for scholarships through the Financial Aid Office at Los Angeles Mission College, check out our website at www.lamission.edu/financialaid and select the "Scholarships" link.

WHEN DO I APPLY?

You need to apply for financial aid every year. The 2018-2019 FAFSA and CADAA are available now. We encourage students to apply early, as this ensures you will receive your financial aid offer ("award letter") before the start of fall semester classes.

KEY DATES RELATED TO FALL 2018

- **October 1, 2017** – 2018-2019 FAFSA application is available online at www.fafsa.gov. Also, the California Dream Act Application is available online at www.caldreamact.org.
- **March 2, 2018** – Application deadline for Cal Grant consideration
- **May 1, 2018** – L.A. Mission College "Priority" deadline. Submit your FAFSA by this date to ensure your file is processed before the start of the fall 2018 semester.
- **September 2, 2018** – Extended Cal Grant B "competitive" awards deadline for eligible community college students only (does not apply to AB540 students who apply through the California Dream Act Application).

FINANCIAL AID NEWS

There were a number of changes in federal and state aid eligibility that took effect over the past years. In particular:

1. The federal government has instituted a "6 year" limit on Pell Grant eligibility. This limits ALL STUDENTS, including students who have already received Pell Grants at any college or university, to no more than 6 full-time academic years of Pell Grant eligibility (based on 2 full-time semesters per academic year). Students can check their eligibility and usage at the U.S. Department of Education's NSLDS website at www.nsls.ed.gov
2. Students qualifying under AB540 for an exemption to paying California Nonresident Tuition may be eligible for the California College Promise Grant (CCPG) program (formerly known as the Board of Governors (BOG) Fee Waiver). Also, students in this group may also qualify for Entitlement Cal Grants.
3. The federal government has established a limitation of 150% of the published length of a student's program of study for Direct Subsidized Loans. More information is available on our website and at our Loan Entrance Counseling workshops.
4. The FAFSA (and CADAA) are available earlier than past years. For the 2018-2019 application forms are available as of October 1, 2018.

CALIFORNIA NONRESIDENT TUITION EXEMPTION REQUEST

Complete and sign the form to request an exemption from Nonresident Tuition.
