WELCOME TO LOS ANGELES SOUTHWEST COLLEGE

Los Angeles Southwest College (LASC) is going through a rejuvenation process. During this resurgence, LASC is constructing new facilities conducive to teaching and learning; re-affirming its strong courses, programs and services; and, affirming its commitment to student success and full community engagement. LASC is committed to providing those academic programs that lead to an Associate Degree or Workforce Certificate or purely, enriching one's background with new ideas and skills. Coupled with services that address student needs, the success of our student is paramount.

As we grow, our programs and offerings are expanding. Throughout this catalog you can learn about more than 40 different programs and varied services that are provided to assist students. Nearly 500 courses are presented in the catalog that are offered throughout the year in a number of formats.

Our campus has blossomed over the last few years into a mature college facility. And we aren't done yet! The future is bright for You and the College!

Thank you for trusting us with helping you to become successful in reaching your goals. I look forward to meeting you on campus and welcoming you personally.

Sincerely,

Jack E. Daniels, III, PhD
President

Updated and New Degrees, Certificates and Policies

2009-2010

Updated Degrees

Associate in Arts (PLAN A) & Associate in Science (PLAN B)

General Information, Graduation Requirements, 2009-2010

The requirements apply to students entering for the first time. Continuing students with uninterrupted attendance and demonstrating satisfactory progress, exclusive of summer and/or winter sessions, should refer to the graduation requirements listed in the catalog in effect at the time of their enrollment. A continuing student is one who has completed a minimum of one course per semester. Completion with a "W" will be accepted for one semester only.

Students who interrupt their attendance, except as noted above, become subject to any new requirements, which are in effect at the time they re-enroll.

Most Los Angeles Southwest College courses are offered for units and a grade or credit/no credit. All courses, which meet the major requirements of the educational programs listed in the catalog, may be applied towards graduation requirements for the Associate degree. Some courses which are offered for college credit, but which cannot be applied toward graduation requirements for the Associate degree, are designated "NDA" or Non-Degree Applicable.

UNIT REQUIREMENT: 60-64 units of course credit in a selected curriculum (a combination of course work in general education and in a major).

SCHOLARSHIP REQUIREMENT: A "C" (2.0) grade point average or better in all work attempted in the curriculum upon which the degree is based.

COMPETENCY REQUIREMENTS: Students must demonstrate competence in reading, in written expression and in mathematics. The READING AND WRITTEN EXPRESSION COMPETENCY requirement may be met by completion of one of the following: 1) English 101 (or its equivalent at another college) with a "C" (2.0) or better OR 2) competency may be met by a score of 3 or higher on one of the following AP Exams: English Language and Composition or English Composition and Literature OR 3) through Credit-by-Examination, as determined by each college OR 4) by achieving a score on the college assessment exam that is determined to be comparable to the satisfactory completion of English 101. That is, students who place into an English course above the level of English 101 have met the competency requirement. The MATHEMATICS COMPETENCY requirement may be met by completion of one of the following courses (or its equivalent at another college) with a grade of "C" (2.0) or better: 1) Math 123C, 124A & B, 125, 127 & 128 or any higher-level mathematics courses with a prerequisite of at least Math 125 or its equivalent OR 2) a passing score on the District (Intermediate Algebra) Mathematics Competency Exam OR 3) a score of 3 or higher on one of the following AP Exams: Calculus AB or Calculus BC or Statistics OR 4) by achieving a score on the college assessment exam that is determined to be comparable to the satisfactory completion of intermediate algebra. That is, students who place into a math course above the level of intermediate algebra have met the competency requirement.

ACADEMIC RESIDENCE REQUIREMENTS: Completion of at least 12 units of work in residence and attendance at the college during the semester in which the requirements are completed. Exceptions may be made for undue hardship.

CATALOG RIGHTS: Students are responsible for fulfilling the requirements for degrees and certificates as listed in the catalog of the academic year they enroll. Should a student not be enrolled for two consecutive full academic semesters, he/she will be responsible for fulfilling the requirements for degrees and certificates as listed in the catalog of the year they reenroll.

EXEMPTIONS TO AREA E, HEALTH AND PHYSICAL EDUCATION: Students completing the Associate of Science degree in Nursing are exempt from the Health Requirement. As of Fall 04, Authorized Physical Education Activity exemptions include: Medical and Religious. See a Counselor.

PETITIONING FOR GRADUATION: All students meeting degree or certificate requirements must complete the petition in order to qualify to receive the degree or certificate. Students should contact a Counselor while in their LAST semester of classes in order to file the petition. All course work must be completed or in progress at the time of filing. The first day to file a Graduation Petition follows the last day to add a class. Petitions may also be filed during the summer sessions; note the filing period in the Summer Schedule of classes. Course work taken at institutions outside the Los Angeles Community College District must be documented with an official transcript filed in the Office of Admissions and Records.

Plan A; Required Courses, 2009-2010

General Education Requirements: Minimum of 30 semester units
Major Requirements: Minimum of 18 units in a single or related field

Effective for all students entering Fall 2009 or later, each course counted towards the major or area of emphasis must be completed with a "C" (2.0 or equivalent) or better or a "P" if the course is taken on "pass-no pass" basis. Please see a counselor and check the college catalog for specific major requirements.

IGETC (Intersegmental General Education Transfer Curriculum); General Information, 2009-2010

What is the Intersegmental General Education Transfer Curriculum certification plan? The Intersegmental General Education Transfer Curriculum (IGETC) is a program of coursework that allows students to fulfill 37 units of lower-division general education requirements for either the UC or CSU system prior to transfer.

What is IGETC certification? IGETC Certification is the process used by Los Angeles Southwest College to verify the completion of the Intersegmental General Education Transfer Curriculum for transfer to either the University of California or the California State University system. In order to be fully certified by this college, students must complete the entire IGETC curriculum. Although not part of the IGETC, Los Angeles Southwest College will also certify the completion of the CSU US History, Constitution and American Ideals graduation requirement.

What is the value of transferring with certification? Completion of the IGETC requirements will allow a student to transfer from a California community college to a UC or CSU without the need, after transfer, to take additional lower division general education courses.

Must the entire IGETC program be completed in order for a student to be certified under IGETC? Yes. All coursework applicable to the IGETC must be completed and certified prior to transfer in order for it to be accepted by the UC and CSU system. Certification for CSU must include completion of the oral communication requirement (SPEECH 101 or 102 or 121). For UC certification, the foreign language requirement must be satisfied.

Is a minimum grade required in all courses used for IGETC certification? Yes. Both the UC and CSU require a grade of "C" or better in all courses used for the IGETC. Up to 15 units of coursework in which a "credit" or "pass" is received may be certified, providing either is equivalent to a grade of "C" or better.

What will happen if the IGETC is not completed prior to transferring to a UC or CSU campus? If the IGETC is not completed prior to transfer, students will be subject to the lower-division transfer requirements of the campus to which they transfer. These requirements vary from campus to campus but may require that the student take additional general education classes.

Do courses taken at another college count toward certification? If courses taken at another college are being used towards certification, Los Angeles Southwest College will place the courses in the IGETC areas identified by the offering college. Courses taken at 4-year institutions must be equivalent to courses offered at Los Angeles Southwest College. These courses will be placed in the subject areas in which the comparable LASC courses fit into this IGETC pattern. Courses completed at foreign institutions are not acceptable except for certification of competence in a language other than English. Students using two years of high school foreign language to satisfy the UC "Language Other Than English" requirement (IGETC Area 6) must have official copies of high school transcripts on file. This requirement may also be met by providing official documentation showing satisfactory completion, with the equivalent of a "C" grade or better, of two years of formal schooling at the sixth grade level or higher at an institution where the language of instruction was not English. Exam results used to meet this requirement must be on file at Los Angeles Southwest College.

When do students apply for certification? Students should apply for IGETC certification at the end of their last semester; students should generally not request certification until all IGETC requirements have been completed. The last college attended completes the certification.

Where do students apply for certification? Students complete the IGETC certification form with a Counselor; the student is responsible for turning the certification form in to the Office of Admissions and Records.

What do students do to notify the CSU or UC of the certification? Students must complete the Transcript Request form in the Office of Admissions and Records, requesting the final transcript to be sent to their chosen CSU or UC. They must check the box "State College Certification/IGETC." The record of the areas of certification will then be listed on the transcript that is sent to the university.

CSU-GE (California State University General Education) General Information, 2009-2010

What is the CSU General Education Certification plan? The CSU GE plan is a program of coursework that allows students to fulfill 39 units of general education requirements prior to transfer.

What are the CSU transfer admission requirements? Students may qualify to transfer to California State Universities when they have completed a minimum of 60 transferable units with a grade point average of 2.0 or better. While courses with a grade of “D” are acceptable to fulfill areas, a minimum grade of “C” is required in Areas A1, A2, A3 and B4 in order to qualify for admission.

What is the value of transferring with certification? Completion of the California State University General Education (CSU-GE) requirements will allow a student to transfer from a California community college to a Cal State University without the need, after transfer, to take additional lower division general education courses.

Must the entire CSU GE certification plan be completed prior to transfer? No. Students who do not fulfill requirements for all of the areas may request “partial certification” of the GE plan. Only the completed areas will be certified. After transfer, students will be subject to the general education requirements in non-certified areas of the CSU campus they attend.

When do students apply for certification? Students should apply for CSU certification at the end of their last semester.

Where do students apply for certification? Students complete the CSU GE certification forms with a Counselor; the student is responsible for turning the certification form in to the Office of Admissions and Records.

Do courses taken at another college count towards certification? If courses from another college are being used towards certification, Los Angeles Southwest College will place the courses in the CSU areas identified by the offering college. Courses taken at 4-year institutions must be equivalent to courses offered at Los Angeles Southwest College. Courses from accredited out-of-state institutions may also be used. Courses taken at a foreign institution may not be certified.

What do students do to notify the CSU or UC of the certification? Students must complete the Transcript Request form in the Office of Admissions and Records, requesting the final transcript to be sent to their chosen CSU or UC. They must check the box “State College Certification/IGETC” on the transcript request form. The record of the areas of certification will then be listed on the transcript that is sent to the university.

Updated Policies

Board Rules, 2009-2010

6201.12 COMPETENCY REQUIREMENT. Students entering prior to Fall 2009 must demonstrate competence in reading, in written expression, and in mathematics. This requirement may be met by achieving a grade of "C" or better in appropriate courses, recommended by the District Academic Senate, and approved by the Chancellor or by achieving a passing score on an examination or examinations recommended by the District Academic Senate and approved by the Chancellor.

Effective for all students entering on or after the Fall 2009 semester, competence in written expression shall be demonstrated by obtaining a satisfactory grade in English 101, or another English course at the same level and with the same rigor as recommended by the District Academic Senate and approved by the Chancellor. Competence in mathematics shall be demonstrated by obtaining a satisfactory grade in Mathematics 125 (Intermediate Algebra), or another mathematics course at the same level and rigor, or higher, and with elementary algebra or higher as a prerequisite, as recommended by the District Academic Senate and approved by the Chancellor. The competency requirements in written expression or mathematics may also be met by completing an assessment, conducted pursuant to Title 5, CCR, section 55500 and achieving a score determined to be comparable to satisfactory completion of English 101 or Mathematics 125 respectively. That is, students may either place into English or mathematics courses above level of English 101 or Mathematics 125, or they may achieve a satisfactory score on a competency exam or other approved exam as recommended by the District Academic Senate and approved by the Chancellor.

The competency requirements may also be met by obtaining a satisfactory grade in courses with English and mathematics content (but taught in subjects other than English and mathematics), which require entrance skills at a level equivalent to those necessary for English 101 and Mathematics 125, respectively, and are taught at the same level and with the same rigor. The District Academic Senate shall recommend such courses to the Chancellor for approval.

9100. AUTHORIZATION AND ADMINISTRATION. An Associated Students organization is authorized within each college of the District, subject to the rules and regulations of the Board of Trustees. Any such organization shall have as its purpose the conduct of activities on behalf of the students; such activities shall not conflict with the authority or responsibility of the Board or its officials. The Associated Students organization are not separate legal entities apart from the District.

9201. EXPENDITURE OF FUNDS. The President of the College is designated by the Board of Trustees as trustee of all Associated Students' funds. All funds shall be expended subject to such procedure as may be established by the Associated Students organization subject to the approval of each of the following three persons which shall be obtained each time before any of such funds may be expended: the President's designee, the certificated employee who is the designated adviser of the particular Associated Students organization, and Associated Students organization president or his/her designee.

Updated Fees

General Information

HOW MUCH DOES IT COST TO ATTEND?

Fees are set by the State Legislature and were recently increased to \$26.00 per unit beginning with the Fall 2009 semester.

- **California residents** pay only \$26.00 per unit. That's \$78.00 for one 3-unit class beginning with the Fall 2009 semester.
- **Students admitted as "Special Part Time Students Grades K-12"** and enrolling in 11 or fewer units are exempt from enrollment fees charged for all terms (including summer) pursuant to Education Code section 76300.
- **Students from other states** pay non-resident tuition of \$188.00 per unit plus a \$26.00 per-unit enrollment fee beginning with the Fall 2009 semester.
- **Students from other countries** pay tuition of \$198.00 per unit plus a \$26.00 per-unit enrollment fee beginning with Fall 2009 semester. Students on an F-1 visa also pay a \$25 per semester international student processing fee. Also, students with an F-1 visa are required to pay an international student medical insurance fee, currently \$438 per semester period. If you have any questions, please contact the International Student Advisor at (323) 241-5277.
- **Special notice to non-resident students:** Nonresident Tuition Fee Exemption on the Basis of Demonstrated Financial Need. Students who are citizens and residents of a foreign country, or who are legally precluded from establishing residency in California, shall be entitled to exemption from nonresident fees on the basis of individual financial need in accordance with regulations adopted by the Chancellor. Such individual exemptions shall not be granted in excess of ten percent (10%) of the District's students who are both citizens and residents of a foreign country in the applicable term.
- **There is also a mandatory \$11.00 Health fee** (\$8.00 for winter intersession or summer) and some colleges have a Student Representation fee of \$1.00.
- **There are some other optional fees** including \$7.00 for membership in the Associated Student Organization (ASO).
- **There are many financial aid opportunities** to help qualified students pay for their community college education, and you may even qualify to have your fees waived. Be sure to read about financial aid and get contact information from our financial aid office, (323) 241-5338, if you would like to talk to them.
