Measure LA is on your ballot!

Measure LA is a new \$5.3 billion bond measure on the ballot this fall that would allow for further investment in our campus. Specifically, this bond, if it passes, would allow us to invest in things like upgraded information technology, renovations to our gym, press box, and athletic fields, improved sustainability like energy efficient LED lighting, basic but important infrastructure needs, as well as allowing us to renovate older buildings like our Music, Art, and Motion Picture buildings, and our Planetarium, at a cost to homeowners of no more than 25 dollars per \$100,000 of assessed – not market – property value. Ballots are being mailed now, so be sure to find Measure LA and vote! For more information, visit measurela.org.
