A MESSAGE FROM THE PRESIDENT

Dear Students, Parents, Employees and Visitors,

At West Los Angeles College, the safety and security of all who set foot on our campus is of utmost importance. Our hope is to make your experience with us free from worry about personal safety so we can all focus on the job of helping students learn and reach their educational goals.

It is with that in mind that West Los Angeles College has prepared this 2021 Annual Security Report.

At the same time, effective safety and security is the product of a collective effort by the entire college community, not just the sharing of a report. For this reason, we ask that you help us by being vigilant as you go about your business on campus and report any incidents or security issues to the West Los Angeles College Sheriff Department or the college administration. In short, “See Something, Say Something.”

The West Los Angeles College Sheriff Department can be reached at (310) 287-4314/4315 or by picking up any blue emergency phone on campus. College administrators can be reached at the phone numbers you will find inside this report.

For yet another year, West LA College has remained one of the safest college campuses around. Thank you for your interest and efforts in helping maintain that proud tradition.

CAMPUS SAFETY AND THE JEANNE CLERY ACT

This report is published in compliance with the “[Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act](#)”, which requires U.S. Colleges and Universities that receives federal student financial aid funding to disseminate annual security report (ASR) to employees, students, and public by October 1st each year. The ASR must include statistics of campus crime and around their campuses for the preceding 3 calendar years, plus details about efforts taken to improve campus safety.

Who is Jeanne Clery?

Jeanne Ann Clery was a 19-year-old Lehigh University freshman who was raped and murdered in her dorm room on April 5, 1986. Her parents later found out about 38 violent crimes on the Lehigh campus in the three years before her murder. They joined other victims of campus crime and persuaded Congress to enact this law, which was originally known as the “Crime Awareness and Campus Security Act of 1990.”

Clery Act Summary

U.S. Colleges and Universities must publish an annual report disclosing campus security policies and three (3) previous years of specified crime and arrest statistics.

U.S. Colleges and Universities must make this report available to students, faculty/staff, and applicants for employment.

U.S. Colleges and Universities must make timely warnings to the campus community about crimes that pose an ongoing threat to students and employees.

Each institution with a police or security department must have a public crime log.

The U.S. Department of Education centrally collects and disseminates the reported statistics via the [Campus Safety and Security Data Analysis Cutting Tool](#).

Campus sexual assault victims are assured of certain basic rights.

U.S. Colleges and Universities that fail to comply can be penalized by the U.S. Department of Education.

The U.S. Department of Education conducts reviews to evaluate U.S. Colleges and Universities compliance with the Clery Act requirements.

A review may be initiated when a complaint is received, a media event raises certain concerns, the school's independent audit identifies serious non-compliance, or through a review selection process that may also coincide with state reviews performed by the [FBI's Criminal Justice Information Service \(CJIS\) Audit Unit](#).

Once a review is completed, the Department issues a Final Program Review Determination. In

addition, the Department conducts general assessment compliance reviews and audits which may also result in fine actions taken by the Department against U.S. Colleges and Universities for violations of the Clery Act.

U.S. Department of Education Higher Education Opportunity Act (HEOA)

In accordance with the [Higher Education Opportunity Act of 2008 \(HEOA\)](#), by October 29, 2011, each postsecondary institution in the United States that participates in Title IV student aid programs must post a net price calculator on its Web site that uses institutional data to provide estimated net price information to current and prospective students and their families based on a student's individual circumstances.

To assist institutions in meeting this obligation, [The National Center for Education Statistics](#), in cooperation with the Office of Postsecondary Education and IT Innovative Solutions Corp., has designed and developed a fully functional net price calculator available to all Title IV postsecondary institutions for use on their institutional Web sites.

Violence Against Women Reauthorization Act of 2013

On March 7, 2013, President Obama signed the Violence against Women Reauthorization Act of 2013 (VAWA) (Pub. Law 113-4), which, among other provisions, amended section 485(f) of the [Higher Education Act](#) of 1965, as amended (HEA), otherwise known as the Jeanne Clery Disclosure of Campus Safety Policy and Campus Crime Statistics Act (Clery Act). The Clery Act requires institutions of higher education to comply with certain campus safety and security related requirements as conditions of participating in the Federal student financial aid programs authorized by Title IV of the HEA. Notably, VAWA amended the Clery Act to require institutions to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking, and to include certain policies, procedures, and programs pertaining to these incidents in their annual security reports (ASRs). The statute requires institutions to include this new information in the ASR beginning with the ASR that must be provided to students, employees, and prospective students and employees by October 1, 2014.

CAMPUS SECURITY AUTHORITY REPORTING (CSA'S)

Campus Security Authority (CSA) is a Clery specific term that encompasses four groups of individuals and organizations associated with an institution.

Under the Clery Act CSA's are required to immediately report crimes and incidents to WLAC Sheriff Department that occur on the West Los Angeles College Campus, affiliated public areas bordering campus, and in certain non-campus buildings owned or controlled by WLAC/LACCD.

A crime is "reported" when it is brought to the attention of a campus security authority, WLAC Sheriff Department, or local law enforcement personnel by a victim, witness, other third party or even the offender.

The intent of including non-law enforcement personnel in the CSA role is to acknowledge that some WLAC community members and students, in particular, may be hesitant about reporting crimes to WLAC Sheriff Department, but may be more inclined to report incidents to other campus-affiliated individuals.

CSA's hold significant responsibility for student and campus activities and are designated by the Vice President of Administrative Services.

CSA's are notified annually of their status and reporting obligations by WLAC Vice President of Administrative Services/President. WLAC Vice President of Administrative Services/President annually notifies WLAC Sheriff Department of WLAC CSA's.

WLAC campus security authorities include:

- All individuals who work for the WLAC Sheriff Department are campus security authorities including police cadets, and administrative staff.
 - A sheriff department can be as small as one person.
- Any individual or individuals who have responsibility for WLAC security but who do not constitute a sheriff department, or a security department are campus security authorities (e.g., an individual who is responsible for monitoring the entrance into institutional property).
 - Including individuals such as those with a role of providing security at a parking kiosk, monitor access into a campus facility, act as event security, such as for sporting events or large registered parties, or escort students around campus after dark (including other students).
- Any individual or organization specified in WLAC statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
 - Reporting criminal incidents to anyone or any organization in addition to WLAC Sheriff Department or security-related personnel, that individual or organization is a campus security authority.

- An official of an institution who has significant responsibility for student and campus activities, including but not limited to, student housing, student discipline and campus judicial proceedings.
 - “An official” is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution. [34 CFR 668.46 \(a\)](#)
- WLAC Faculty & Staff who lead, direct, and/or supervise student employees, ambassadors, interns, or work study recipients.
 - A [student employee](#) is a person who is hired as an employee or work study recipient, is currently enrolled with any number of credits, non-credit, or not for credit units, and has a valid student ID number.

WLAC CSAs include but are not limited to the following individuals:

- Los Angeles County Sheriff Personnel
- Administration and Assistants
- Title IX Coordinator (s)
- Athletic Director and Coaches
- Divisional Deans/Directors

When a CSA receives a report, he or she must include it as a crime report using the procedure(s) that has been specified by WLAC Administration/LACCD including written documented notification to WLAC Sheriff Department.

It does not matter whether or not the individuals involved in the crime, or reporting the crime, are associated with WLAC/LACCD.

CSA's need to document incidents, should not investigate the crime or attempt to determine whether a crime took place and should not try to apprehend the alleged perpetrator a crime- that is the responsibility of WLAC Sheriff Department.

It is not the CSA's responsibility to try and convince a victim to contact law enforcement if the victim chooses not to do so.

CSA's should support the victim's choice, and, if the victim is a student, offer to accompany the victim to make a report either to WLAC Sheriff Department or other police with jurisdiction.

- If the CSA cannot accompany the student, the CSA can help find a WLAC Administrator who can help the student by contacting the Dean of Student Services.

CSA must report even if the information regarding the incident was shared with him or her in confidence (Confidentially).

Non – Campus Security Authorities

Non-CSA positions and functions include, but are not limited to, administrative staff members

who are not responsible for students, clerical staff (those who do not work in a student-driven environment), individual faculty with no student activity duties outside the classroom, pastoral, medical staff, etc.

You may also report crime to the following campus officials who are designated as Campus Security Authorities (CSA's):

CSAs are required, immediately to report the crime in the following procedures listed below:

CA Police Records Notice

Police reports are considered public records under state law, and reports of crime cannot be held in complete confidence.

Access to public records may require disclosure of certain information concerning the report of Sexual Violence. In such cases, every effort is made to redact or limit the record as appropriate to protect the privacy of all parties and witnesses of the college.

However, victims of sexual violence may request to law enforcement that their names not become a matter of public record. [Penal Code section 293](#)

REPORTING CRIMINAL OFFENSES, EMERGENCIES, & OTHER INCIDENTS

Crimes in progress and crimes that have just occurred should be reported to WLAC Sheriff Department as soon as possible by dialing from any campus phone extension 4314/4315 or outside campus phone (310) 287 - 4314/4315

Dialing 9-1-1 from any cellular or campus phone for non-emergency calls may delay help for people caught in real emergencies, non-emergency crime reports and security or public safety-related matters should be reported to WLAC Sheriff Department by dialing (310) 287-4314/4315 or by using extension 4314/4315 within the campus phone system.

There are Blue Emergency Phones located throughout campus, which directly dials the WLAC Sheriff Department.

When the call button is pushed, the blue strobe light flashes from the top of the phone tower and the WLAC Sheriff Department dispatcher is notified immediately, and an officer is sent to the location of the call.

- If the call was accidental, please inform the dispatcher.

An officer will be dispatched to your location.

Crimes or incidents occurring outside WLAC Sheriff Department jurisdiction should be reported to the law enforcement agency having jurisdiction where the incident occurred.

Reasons to Report to WLAC Sheriff Department

WLAC recognizes it is a victim's choice to report a crime.

If a victim chooses not to report the crime immediately, the report can be made at a later time, however immediate reporting may allow the WLAC Sheriff Department:

- To take action which may prevent further victimization, including issuing a Timely Warning or Emergency Notification to the WLAC community.
- To assist in the apprehension of a suspect.
- To assist in the collection and preservation of evidence that may be lost if not recovered soon after a crime.
 - Such evidence may assist in the administrative as well as criminal investigations.
- To assist in proper documentation for criminal prosecution and administrative investigation.
- To have the incident recorded for purposes of reporting statistics about incidents that occur on campus.

Members of WLAC/LACCD, guests, and the general public are strongly encouraged to immediately report all crimes and public safety related incidents to the WLAC Sheriff Department.

Reporting timely information assists in developing Emergency Notifications, Timely Warnings, and/or Crime Advisories regarding potential danger on WLAC campus.

Reporting crimes also aids in the collection of crime statistics for this report.

Crimes or incidents occurring outside WLAC Sheriff jurisdiction should be reported to the agency having jurisdiction where the incident occurred.

If you need assistance contact WLAC Sheriff Department. Phone: (310) 287-4314/4315

State of California, Department of Justice Report a Crime

Upon receiving the report, the WLAC Sheriff Department will make the determination whether the nature of the crime being reported is one that Clery requires be included in the annual statistics and whether it occurred on or within the WLAC campus or an area required to be reported in the annual statistical report under the Clery Act.

The WLAC Sheriff Department interfaces continually with local police agencies for the monitoring and recording of criminal activity, including any that may have occurred at non-campus locations but are related to the West Los Angeles College Campus.

WLAC Sheriff Department obtains and publishes annual crime statistics from other police agencies for off- campus locations.

The WLAC Sheriff Department works as a team with WLAC Administration, [Disabled Student Programs & Services](#), [Student Psychological Services](#), and Counseling in dealing with sensitive situations.

The Vice President of Administrative Services/President and the WLAC Sheriff Department coordinate with staff in these areas to discuss Federal Clery Act requirements and the importance of reporting for statistical purposes.

Personal counseling sessions, in Student Health Services and Student Psychological Services, are considered privileged and the holder of the privilege is the client.

- Crime information can be forwarded confidentially at the request of the client, and if there is an immediate threat to safety.

Any reporting of statistics to comply with the Clery Act is done by reporting numbers without names so that the information provided by clients is confidential.

When calling to report a Crime or incident, please be ready to provide detailed information:

- Answer the WLAC Sheriff Dispatcher's questions about the emergency.
 - Please do not hang up the call, as WLAC Sheriff Department will determine there is an immediate threat/emergency and officers will be immediately dispatched to your location.

Department will return the call until a response is received.

- Brief description of the incident, time, location the incident occurred, and description of the victim(s) or suspect(s).

Examples of emergencies that take priority over non-emergency calls include **life threatening, child and campus safety emergencies.**

Non-Emergency calls will be responded to in order and may take longer than expected.

******Witnesses calling to report crimes are routinely asked for their names, and phone numbers. This is done so that they can be contacted later if necessary, during the investigation of the crime. WLAC Sheriff Department gives missing person cases high priority over non-emergency and property cases and will not require any time frame to pass before beginning a missing person investigation. [Penal Code 14205](#)

If any person has reason to believe that a member of the WLAC community is missing, they should immediately notify the WLAC Sheriff Department at 310-287-4314/4315.

WLAC Sheriff Department accepts reports, including telephonic report, of a missing WLAC student/staff and any child.

A report is accepted regardless of where the person was last seen, where the person resides, or any other question of jurisdiction.

Additional Information

If the individual is not immediately located, WLAC Sheriff Department will enter the missing person into the appropriate missing person database.

When WLAC Sheriff Department take a missing person report for a WLAC student or staff member, then within the next 24 hours, WLAC Sheriff Department initiate an investigation that includes but not limited to the following:

- Notify the individual identified by the student to be contacted in such circumstances.
- Notify a parent or guardian if the student is less than 18 years old.
- Notify appropriate law enforcement officials in the Los Angeles or other appropriate areas with a Teletype message or other similar measure.

Amber Alert

The [AMBER Alert Program](#) is a voluntary partnership between law enforcement agencies, broadcasters, transportation agencies, and the wireless industry, to activate urgent bulletins in child abduction cases.

- There is information available that, if provided to the public, could assist in the child's safe recovery.

Professional Counselors & Pastoral Counselors

Licensed counselors are exempt from reporting requirements. [34 C.F.R. §668.46\(b\)\(2\)\(iii\)](#)

WLAC encourages counselors, to inform those they counsel of procedures for reporting crimes on a voluntary, confidential basis for inclusion in the Annual Security Report.

WLAC does not have identified campus clergy (pastoral counselors).

Reporting [Hate Crimes & Incidents](#)

A criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim including disability, gender, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. [Penal Code 422.55](#)

Victims Bill of Rights Act/Marsy's Law

Marsy's Law which is also known as the [California Victims' Bill of Rights Act of 2008](#), created a number of personally held and enforceable constitutional rights for victims of crime.

Among the enumerated rights is the right to be notified of these rights.

The CA Attorney General has created a [Marsy's Rights card](#) for distribution to crime victims. [Penal Code 679.026](#)

Copies of the card are available at the front counter of the WLAC Sheriff station.

WLAC Sheriff Department will provide a copy of Marsy's Card to every victim as well as anyone that requests a copy of the card.

A 'victim' is now defined under the California Constitution as, "a person who suffers direct or threatened physical, psychological, or financial harm as a result of the commission or attempted commission of a crime or delinquent act.

The term 'victim' also includes the person's spouse, parents, children, siblings, or guardian, and includes a lawful representative of a crime victim who is deceased, a minor, or physically or psychologically incapacitated.

The term 'victim' does not include a person in custody for an offense, the accused, or a person whom the court finds would not act in the best interests of a minor victim."

Marsy's card contains specific sections of the Victims' Bill of Rights and resources.

Crime victims may obtain additional information regarding Marsy's Law and local Victim Witness Assistance Center information by contacting the [Victims of Crime Resource Center](#) at 800-VICTIMS or (800) 842-8467.

Additional information regarding Victim Services and copies of the Marsy's Rights may be found on the [State of California Department of Justice website](#).

Unfounded Crime Reports

A reported Clery Act crime to WLAC Sheriff Department may not be withheld or subsequently removed from the Clery crime statistics data based on a decision by a court, coroner, jury, prosecutor, or other similar non-campus official.

However, a reported crime may be withheld or subsequently removed from the crime statistics in a rare situation where sworn law enforcement personnel have fully investigated the reported crime and based on the results of a full investigation and evidence, have made a formal determination that the crime report is false or baseless and therefore “unfounded.”

A crime is considered unfounded for Clery Act purposes only if sworn or commissioned law enforcement personnel make a formal determination that the report is false or baseless.

Confidential Reporting

WLAC does not have procedures allowing victims and witnesses to report crimes on a confidential basis for inclusion in the annual disclosure of crime statistics.

CRIME LOG

Daily Crime Log

Clery Act requires that U.S. each college campus maintain clear written policies for: how data entry will be done, who is responsible for doing the data entry, who is responsible for supervising & reviewing the data entry on a regular basis, & where the crime log will be maintained (both internally & for the public).

This document describes the policies & procedures that the Los Angeles County Sheriff's Department utilizes for maintaining the Daily Crime Log at West Los Angeles College and the other colleges within the LA Community College District.

Purpose of the Daily Crime Log

As part of the Jeanne Clery Act, each campus is required to maintain a daily log of criminal offenses that occur within the specified campus geography.

This document contains a record of all crimes reported to the WLAC Sheriff Department that have occurred on the Clery Act reportable geography of the campus.

The purpose of the daily crime log is to record all criminal incidents and alleged criminal incidents that are reported to CSA'S, LASD or an outside law enforcement agency.

WLAC Sheriff Department maintains a combined Daily Crime and Non-Crime Log.

A crime is considered "reported" when it is brought to the attention of a Campus Security Authority ("CSA") or WLAC Sheriff Department.

All crimes in the Daily Crime Log are recorded by the date the crime was reported to WLAC Sheriff Department.

The WLAC Sheriff Department may withhold information from the Daily Crime Log if there is clear and convincing evidence that the release of such information would jeopardize an on-going criminal investigation or the safety of an individual, cause a suspect to flee or evade detection, or result in the destruction of evidence.

The WLAC Sheriff Department will disclose any information withheld from the Daily Crime Log once the adverse effect is no longer likely to occur.

The crime log includes specific information about criminal incidents, not crime statistics. The log is designed to provide crime information on a timelier basis than the annual statistical disclosures.

What Crimes are Reported in the Log

- All Part I Crimes
- Most Part II Crimes
- Suspicious Circs that do involve a possible crime

<i>Part I Crimes Included in Log</i>	<i>Part II Crimes Included in Log</i>	<i>Not Included in Log</i>

What is the Specified Campus Geography

- All parking facilities & buildings leased/owned/used by the WLAC.
- All roadways contained within the campus boundaries or adjacent to school property.
- All sidewalks adjacent to school property or immediately opposite.
- There is an additional geographic location that applies exclusively to the crime log.

In addition to recording reported crimes that occurred on WLAC campus, in or on non-campus

buildings or property or on public property within the campus or immediately adjacent to and accessible from the campus, reports of crimes that occurred within the patrol jurisdiction of the WLAC Sheriff Department must also be entered into the crime log.

A patrol jurisdiction (also referred to as a “patrol zone”) is any property that does not meet any of the Clery Act geographic area definitions, but which is regularly patrolled by WLAC Sheriff Department or security patrol services by WLAC/LACCD.

These services are typically performed by the campus agency pursuant to a formal agreement with the local or state government, a local civic association or other public entity.

WLAC Sheriff Department documents the security/patrol jurisdiction.

Consisting of a map of the patrol jurisdiction, a standard operating procedure (SOP) or a general order (GO) that describes the patrol jurisdiction.

Crime log entries include all crimes reported to the WLAC Sheriff Department for the required geographic locations, not just Clery Act crimes.

When to Enter Information in the Log

- Crimes must be entered within 2 business days of when it was reported to LASD.
- This includes crimes that are reported directly to LASD, as well as crimes that are initially reported to college staff or to a local law enforcement agency, which subsequently reports them to LASD.
- Any updates on incidents within 60 days of log entry, such as arrests or court dispositions, must also be entered within 2 business days of the information becoming available. The updated information should be entered into the notes section of the original report record in the log.
- After 60 days have passed, it is unnecessary to enter case updates.
- **A business day is Monday through Friday**, except for days when WLAC is closed (for example, closed for holidays or other scheduled breaks when no security personnel are present).
- The only exceptions to this rule are: if the disclosure is prohibited by law; or if the disclosure would jeopardize the confidentiality of the victim.

What Report Information Must Be Entered into the Log

Date/Time Reported	Crime Classification(s)	Date/Time Occurred	Incident Number (URN)	Incident Location	Notes/Disposition	Clery Notice?	Date/Time of Clery Notice

In order to comply with the law, the written log must be easily understood & contain certain

categories & types of information.

The embedded template meets the reporting requirements.

The Date & Time the Crime Was Reported

Enter a crime into the log by the date it was reported to LASD or college staff; preferably in military time format.

A reported crime must be logged regardless of how much time has passed since it occurred. Crime reports received from local law enforcement agencies (for example, in response to requests for annual statistics) that cannot be matched to other crimes already entered in the crime log should be entered into the log by the date LASD received the report from the local law enforcement agency.

The Date and Time the Crime Occurred

Enter the date and the time that the crime occurred; preferably in military time format. If the exact date and time are not known, use a range or indicate that it is unknown.

Crime Classification(s)

The [UCR Hierarchy Rule](#) does not apply to the crime log.

If multiple Criminal Offenses are committed during a single incident, all offenses must be recorded in the log.

Enter each penal code that applies to the criminal event, followed by its definition (for example: 187 PC Homicide or 211 PC Robbery or 459 PC Burglary)

If a crime is reported and entered into the crime log but the resulting investigation shows that the initial description was inaccurate, do not delete the entry -- just update the description.

The General Location of the Crime

Record any crime that occurs on your Clery Act geography: on campus, in or on non-campus buildings or property, on public property or within the patrol jurisdiction of LASD.

The Disposition of the Complaint, if Known

Withhold Information from the Log

Information may be withheld temporarily only if there is clear and convincing evidence that the release of information would:

- Jeopardize an ongoing investigation;
- Jeopardize the safety of an individual;
- Cause a suspect to flee or evade detection; or
- Result in the destruction of evidence

West Los Angeles College Sheriff Department (WLAC) may withhold only that information that could cause a specifically identified adverse effect, and must disclose such information once the adverse effect is no longer present.

The individual making the judgment to withhold information should document the reason for doing so.

If a reported crime is fully investigated by LASD, and, based on the results of the investigation, they make a formal determination that the crime report is false or baseless, the log should indicate, as the disposition of the report, that the crime is “unfounded.”

Only Sworn or Commissioned Law Enforcement Authorities that investigate the crime can make this determination.

A [Campus Security Authority \(CSA\)](#) who is not a sworn or commissioned law enforcement authority cannot unfound a crime.

Clery Notice & Date/Time of Clery Notice

If it has been determined that the crime merits a Clery notification to the WLAC campus because the crime or the suspect poses a serious & ongoing threat to the WLAC community. Clery notice will be disseminated to the WLAC campus by notification procedures.

Crime Log Availability

Each campus must maintain a log & make its log available on-site.

The log will be posted in a visible location in or near the WLAC Sheriff station lobby.

As new information is added to the spreadsheet, the most recent page will be printed out & attached to the log.

Format: Currently, the log is accessible in a hard copy format.

Availability: The WLAC Sheriff Department webpage provides information on the availability, contents & location of the log.

Notices about the log may be posted on WLAC or LASD websites, in the WLAC Sheriff Department Office, in student and employee handbooks or anywhere else it’s likely to be seen.

Accessibility: The crime log for the most recent 60-day period must be open to public inspection, free of charge, upon request, during normal business hours. Written request not required.

Any portion of the log that is older than 60 days will be available within two business days of a request for public inspection.

Archived logs should be kept for 7 years in a location where they can be accessed if necessary.

As noted above, members of the public may request to review past logs.

Anyone, including the media, may have access to the log, whether or not they are associated with the WLAC campus or LACCD.

Written Policies Regarding the Daily Crime for WLAC Sheriff Department Staff

Each staff person who is responsible for entering or reviewing information in the log shall be

given a copy of the policies.

A copy shall be prominently displayed on a bulletin board at each campus station.

Maintenance of Daily Crime Log

The Team Leader will designate the specific Deputy or Security Officer who will input the required crime information by the end of each shift.

- Each **detective** must notify the Team Leader or Crime Analyst of any updates on the case before the 60-day expiration period, so that the designated Deputy or Security Officer can enter the updated information into the log.
- The **Team Leader or Acting Team Leader** will enter any incidents received as part of courtesy reports from outside agencies.
- The **Crime Analyst** will update the log based on reports from outside agencies that are discovered during the annual process of requesting Clery crimes or from other investigative work.

Daily Crime Log Supervision

- **The Team Leader or Acting Team Leader** will review & approve all entries by the end of their shift.
- **The Team Leader or Acting Team Leader** will review weekly statistical reports to ensure that all reports have been entered in the log.

MONITORING OF OFF-CAMPUS CRIMINAL ACTIVITY

WLAC does not have recognized off campus locations of student organizations, such as off-campus housing facilities, and does not engage in monitoring of student criminal activity off campus.

However, students engaging in criminal activities off-campus, in conjunction with college sponsored activities, may be subject to disciplinary action by West L/Los Angeles Community College District. [LACCD Board Rule CHAPTER IX-ARTICLE XI- STUDENT DISCIPLINE – 91101](#)

Crimes or incidents occurring outside WLAC Sheriff Department jurisdiction should be reported to the law enforcement agency having jurisdiction where the incident occurred.

SAFETY POLICIES & TIPS

Members of the WLAC community must take responsibility for their own personal safety, the safety of others, and their property (when possible), as they do when away from campus.

If You See Something-Say Something

All students, faculty, staff, and visitors are encouraged to report any emergency situation, crime, or suspicious behavior to [WLAC Sheriff Department](#).

Members of the community are strongly encouraged and constantly reminded by the WLAC Sheriff Department throughout the year to:

- Promptly report all crimes and suspicious persons or activity to WLAC Sheriff Department.
- Always be aware of your personal safety and your surroundings.
- Never leave your property unattended and lock bicycles, doors and windows to your car, classroom(s) and office(s).
- Keep all valuables with you or leave them at home.
- Walk on well-traveled pathways and in well-lit and populated areas. Walk with friends or groups when possible.
- Call the WLAC Sheriff Department for a safety escort if you feel afraid or need to walk in isolated areas or at times when areas are unpopulated or closed. Contact: (310) 287-4314/4315.
 - [Golf Cart transportation rides have been discontinued.](#)
- Engrave owner identification numbers onto personal electronics and items of value, keep a list of serial numbers and description of property, and provide it to the WLAC Sheriff Department in the event your property is stolen.
- Use the internet wisely and never send money or provide personal identifying information, credit card information, or bank information to someone you do not know or to a company or person you did not initiate contact with on your own (such as Airlines, Department Stores, Amazon, etc.).
- Use good bicycle theft prevention measures. Use a combo or flat key U-lock. Most cable locks can be and are easily cut. Lock both the front and rear wheels when possible and make sure to put your lock(s) through a closed part of the bike frame. Wheels can easily be taken off. Although all bikes are prone to theft, the newer and more expensive a bike is, the more of a target it will be.

SECURITY AND ACCESS TO CAMPUS FACILITIES

No visitor on campus shall attend a college activity limited to college personnel without prior approval of the WLAC president or his/her authorized representative. Any visitor on campus may attend a college event which is authorized as open to the public. [LACCD Board Rule Campus Visitors 91202-91206](#)

All visitors must adhere to the [Code of Conduct, LACCD Board Rules, Chapter IX, Article VIII \("Conduct on Campus"\)](#), College premises shall not be used later than 11:00 p.m., except upon special permission of the College President/Vice President, Administrative Services. CVC \(CA Vehicle Code\)](#) grants the President of West Los Angeles College authority to regulate and impose special conditions regarding traffic and parking regulations which include the authority to have vehicles which block traffic flow and pose a safety hazard or are abandoned with no license towed away at the owner's expense. [LACCD Board Rule Chapter VII. - Article IV](#), Business and Fiscal Services.

Overnight Parking

Overnight parking is not allowed unless express written consent is granted by WLAC President/Vice President Administrative Services and WLAC Sheriff Department.

West Los Angeles College/LACCD campus security is provided by the Los Angeles County Sheriff's Department, which staffs the campus 24 hours a day, seven days a week, year-round.

West Los Angeles College assumes no responsibility for damage to any motor vehicle, theft of its contents, or injury to persons operating such vehicles on or off campus. [LACCD Board Rule CHAPTER VII, ARTICLE IV VEHICLES ON CAMPUS 7400-7402](#)

Parking on campus is a privilege, and permission to park may be revoked at any time.

Keys

- **Lost Keys, Stolen Keys, and etc.**

All lost, stolen, or misplaced keys or key cards must be immediately reported to the WLAC Sheriff's Office. Any requests for replacement keys must include the lost key report number supplied by the WLAC Sheriff's Office. It is the personal responsibility of the requestor to safeguard Keys and Key cards and maintain them secure.

[California Penal Code Section 469](#) states "Any person who knowingly makes, duplicates, causes to be duplicated, or uses, or attempts to make, duplicate, cause to be duplicated, or use, or has in his possession any key to a building or other area owned, operated, or controlled by the State of California, any state agency, board, or commission, a county, city, or any public school or community college district without authorization from the person in charge of such building or area or his designated representative and with knowledge of the lack of such authorization is guilty of a misdemeanor."

Gates

Gates at vehicle entrances to the main campus are closed and locked on weekends and holidays.

Entrances to campus buildings are secured by door locks and, in some cases, intrusion alarms. Entrances to buildings accessed by employees, students, and visitors are unlocked during business hours and locked during non-business hours.

Security Cameras

Security cameras are located at various points on campus and images are displayed, monitored and recorded in the WLAC Sheriff's station located in parking lot 5.

At any given time, several security cameras on campus may be non-functioning, and camera monitors are not continuously scanned in the WLAC Sheriff's station.

Emergency Phones

Emergency phones are located throughout the WLAC campus and connect directly with the WLAC Sheriff's Station.

There are no cameras connected to the emergency phones.

Non-Emergency Procedures & Reports

For non-emergency assistance, please call WLAC Sheriff Department at (310) 287-4314, or report incidents in person.

Individuals are encouraged to report all crimes directly to the WLAC Sheriff Department.

[WLAC Sheriff Department](#) is located in Parking Lot 5, 9000 Overland Ave Culver City, CA 90230.

Reported Crimes

Reported crimes are investigated by Los Angeles County Sheriff Officers and if necessary, follow-up investigations are conducted by detectives of the department who may involve other law enforcement agencies.

WLAC does not have campus residences.

Maintenance of Campus Facilities

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. The WLAC Sheriff Officers regularly patrol the campus and reports malfunctioning lights and other unsafe physical conditions to [Plant Facilities Department](#) for correction.

The WLAC community is encouraged to report any safety concerns, exterior lighting, or emergency telephone malfunctions to Physical Plant Facilities at (310) 287-4307/4397 or to the [WLAC Sheriff's Department](#) at (310) 287-4314.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Notification Procedures

In case of emergency situations such as: fire, earthquake, active shooter, hazardous material spills, bomb threats, and mass evacuations, the WLAC Blackboard Emergency Notification System will be in use.

WLAC maps are updated annually to show evacuation routes and [gathering areas](#). They are posted in all classrooms, buildings and the campus website.

Emergency Operations Center (EOC)

Los Angeles Community College District has an [Emergency Operations Center \(EOC\)](#) comprised of staff from various departments representing critical functions of the community colleges to include those with resources necessary to support emergency response.

The EOC is activated when deemed appropriate by the Vice President of Administrative Services/President or the Director of the EOC, or as outlined in the [Emergency Operations Plan](#).

EOC staff training and exercises are documented through attendance rosters, planning meeting agendas, and exercise documentation.

In conjunction with the [LASD CCB Sheriff Captain](#), the Emergency Manager will conduct an administrative review of the EOP on an annual basis or as needed.

Testing of Procedures

WLAC will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a victim or to contain, respond, or otherwise mitigate the emergency.

The entire WLAC community will be notified when there is a potential that a very large segment of WLAC is threatened. The WLAC president, or his/her designee, will reassess the situation to determine whether additional notifications or updates need to be made.

If needed, the WLAC administration and WLAC Sheriff Department will notify the surrounding community through its contact with the City of Culver City, which can notify residents through its mass email system.

WLAC publicizes its emergency response and evacuation procedures through publication on the WLAC website and posting of written communications in classrooms and offices on campus.

[Evacuation Areas](#)

WLAC will document each test by recording a description of the test, the date the test was held, the time the test started and ended, and whether the test was announced or unannounced.

Copies of test documentation are available from the [Office of Vice President, Administrative Services.](#)

WLAC conducts tests of its emergency response and evacuation procedures at least monthly.

TIMELY WARNINGS AND EMERGENCY NOTIFICATIONS

When a crime is reported to the WLAC Sheriff's Department on campus and/or the WLAC Administration that, in the judgment of the WLAC President or Administrator-in-charge (usually the Vice President of Administrative Services), creates a serious or ongoing threat, a campus-wide "timely warning" will be issued.

The warning will be issued through the following college notification systems to students, faculty and staff:

- **Blackboard Emergency Notification System** - A text message will be sent to mobile phones (on file) of students and employees. The message may also be sent to the City of Culver City. An opt-out process has been developed for message recipients.
- **Email Blast** - A message will be sent to all WLAC employee email addresses.
- **InformaCast IP Messenger** - An audio message will be sent through the desk phones to WLAC employees. The message will also be sent through the public address speakers in classrooms, corridors, and exterior common areas as the capability is developed.
- **Updated warnings** will be issued through the methods specified above and via the following, as deemed appropriate by the college:
 - **Website** news post or message – Announcements will be posted on the college home page and at <http://www.wlac.edu/Sheriff> and through the campus Blackboard Emergency Notification System as deemed necessary (text, email, and phone).
 - **Flyers** - As practicable, flyers will be prepared and distributed/posted on campus
 - **Signage** - Signs will be placed in areas of high traffic and at closed entrances to the campus or buildings.
 - **WLAC Sheriff's Officers** - Will circulate the campus as practicable using patrol vehicle loudspeakers.

Anyone with information warranting a timely warning should contact the WLAC Sheriff's Department by phone to (310) 287-4314/4315 or in person at the Sheriff's Office in Building C-3 on Freshman Drive at the entrance to Parking Lot 5 (see [campus map](#)).

In addition, LACCD also enforces state laws relating to underage drinking, pursuant to Board Rule 9803.27 ("Performance of an Illegal Act").

Penalties

Federal and state laws regarding alcohol and illicit drugs allow for fines and/or imprisonment. Other legal problems include the loss of one's driver's license and limitations of career choices.

You may read a [summary of federal penalties for drug related offenses](#) and [the federal controlled substances act](#).

In addition to criminal prosecution, violators are also subject to disciplinary action by West Los Angeles College.

Student discipline actions may include the following: warning, reprimand, disciplinary probation, suspension, and/or expulsion.

Health Risks

Health risks associated with the abuse of controlled substances include malnutrition, damage to various organs, hangovers, blackouts, general fatigue, impaired learning, dependency, disability and death.

DATING VIOLENCE, DOMESTIC VIOLENCE, SEXUAL ASSAULT AND STALKING

Disclosures to Alleged Victims of Crimes of Violence or Non-Forcible Sex Offenses

Allegations of dating violence, domestic violence, and stalking are handled pursuant to the [LACCD Board Rules, Chapter XV \("Prohibited Discrimination, Unlawful Harassment, and Sexual Misconduct \(Title IX\)"\)](#) and [LACCD Administrative Regulation C-14 \("Procedures for Prohibited Discrimination, Unlawful Harassment, and Sexual Misconduct Complaints"\)](#) available at the [LACCD Office For Diversity, Equity, & Inclusion](#).

West Los Angeles College (WLAC) will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the college against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, the college will provide the results of the disciplinary hearing to the victim's next of kin, such victim shall be treated as the alleged victim for purposes of the request.

As defined by Section 16 of Title 18 of the United States Code, a "crime of violence" is "(a) an offense that has an element the use, attempted use, or threatened use of physical force against the person or property of another, or (b) any other offense that is a felony and that, by its nature, involves a substantial risk that physical force against the person or property of another may be used in the course of committing the offense."

In 1968, the California Legislature enacted the [California Public Records Act \(CPRA\)](#) under Government Code (GC) sections 6250-6270.

In its findings and declarations, mindful of the right of individuals' privacy, the Legislature declared it was the public's right to access information concerning the people's business.

Certain information from initial WLAC Sheriff Department reports is public record under California law, so confidentiality of reports cannot be guaranteed.

Exceptions exist for sexual assault and crimes where victims or witnesses would be at risk should their names be released to the public.

If you are the victim of a crime and do not want to pursue action within the Los Angeles Community College District or the criminal justice systems, you may still want to consider making a confidential report.

This information will be disclosed in the annual report and used for statistical information to help prevent further crimes.

Confidential information may be shared with other law enforcement agencies to reduce further occurrences.

Within 24 hours of being notified of a sexual assault, WLAC Sheriff Department shall, with the consent of the alleged victim, notify the WLAC President of the sexual assault and the victim's name. [Administrative Regulation C-14](#).

The district prohibits dating violence, domestic violence, sexual assault, and stalking. These terms are defined by the Clery Act as follows:

- **Dating violence:** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. (i) The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. (ii) For purposes of this definition—(A) Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. (B) Dating violence does not include acts covered under the definition of domestic violence. (34 C.F.R. § 668.46.)
- **Domestic violence:** (i) A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; (B) By a person with whom the victim shares a child in common; (C) By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner; (D) By a person similarly situated to a spouse of the victim under the domestic or family laws of the jurisdiction in which the crime of violence occurred; or (E) By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred. (34 C.F.R. § 668.46.)
 - **Sexual assault:** An offense that meets the definition of rape, fondling, incest, or

statutory rape as used in the [FBI's Uniform Crime Reporting \("UCR"\) program](#) (see below).

- **Rape:** The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
- **Sex Offenses:** Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.
 - **Fondling** - The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
 - **Incest** - Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - **Statutory Rape** - Sexual intercourse with a person who is under the statutory age of consent. (34 C.F.R. § 668.46, Appendix A.)
- **Stalking:** (i) Engaging in a course of conduct directed at a specific person that cause a reasonable person to—(A) Fear for the person's safety or the safety of others; or (B) Suffer substantial emotional distress. (ii) For the purposes of this definition—(A) Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property. (B) Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim. (C) Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. (34 C.F.R. § 668.46.)

Violations of the [LACCD's Prohibited Discrimination, Unlawful Harassment, and Sexual Misconduct Policy](#) may also be criminal offenses under California law. The definitions of dating violence, domestic violence, sexual assault, and stalking under the California Penal Code are included in Appendix A at the end of this report.

The [LACCD's Prohibited Discrimination, Unlawful Harassment, and Sexual Misconduct Policy](#) uses the following definitions:

"Dating Violence" is included in Intimate Partner Violence, below. [C-14, Section II.I.](#)

"Domestic Violence" is included in Intimate Partner Violence, below. [C-14, Section II.M.](#)

The term "Intimate Partner" refers to a person with whom one has or had a close personal relationship that may be characterized by some or all of the following: the partners' emotional connectedness, regular contact, ongoing physical contact and sexual behavior, identity as a

couple, and familiarity with and knowledge about each other's lives. Intimate Partner relationships include current or former:

- Spouses (married spouses, common-law spouses, civil union spouses, domestic partners)
- Boyfriends/girlfriends
- Dating partners
- Ongoing sexual partners

Intimate Partners may or may not cohabit. Intimate Partners can be opposite or same sex.

If the Alleged Victim and the Respondent have a child in common and a previous relationship but no current relationship, then by definition they fit into the category of former Intimate Partners. [C-14, Section II.R.](#)

"Intimate Partner Violence" refers to behavior involving physical force or intimidation of such force, intended to hurt, damage, or kill an Intimate Partner, as defined above; this frequently arises in the form of Sexual Misconduct. [C-14, Section II.S.](#)

"Sexual Misconduct" refers to non-consensual sexual activity, where clear, knowing, and voluntary Consent, as defined herein, both prior to and during the sexual activity is absent.

Sexual misconduct includes "sexual harassment" as that term is defined herein.

Sexual Misconduct offenses include but are not limited to Non-Consensual Sexual Intercourse, defined as

- a. Any sexual penetration or intercourse (anal, oral, or vaginal)
- b. However slight
- c. With any object
- d. By a person upon another person
- e. That is without Consent and/or by force
- f. Sexual penetration includes vaginal, oral or anal penetration by a penis, tongue, finger or object, or oral copulation by mouth or genital contact, or genital to mouth contact.
- g. Non-Consensual Sexual Intercourse includes but is not limited to rape, forced sodomy, forced copulation, or rape by foreign object.

Sexual Misconduct offenses also include Non-Consensual Sexual Contact, defined as

- a. Any intentional sexual touching
- b. However slight
- c. With any object
- d. By another person upon another person
- e. That is without Consent and/or by force.
- f. Sexual touching includes any bodily contact with the breasts, groin, genitals, mouth or other bodily orifice of another individual, or any other bodily contract in a sexual manner.
- g. Non-Consensual Sexual Intercourse includes but is not limited to sexual battery or

threat of sexual assault.

In addition to those acts specified above, Sexual Misconduct also specifically includes Sexual Harassment, Stalking, Dating Violence, Domestic Violence, and Intimate Partner Violence. [C-14, Section II.DD.](#)

“Sexual Violence” refers to a forceful physical sexual act that is committed or attempted by another person without freely given Consent. [C-14, Section II.GG.](#)

“Consent” when used regarding Sexual Misconduct matters refers to a mutual honest, direct agreement. Consent is never implied and cannot be assumed, even in the context of a relationship.

Consent must be:

- a. Informed (knowing)
- b. Voluntary (freely given)
- c. Active, (not passive)
- d. By clear words or actions, with regard to agreed-upon (sexual) activity, and
- e. Must indicate permission to engage in mutually agreed upon (sexual) activity.
- f. It must also be continuous throughout the sexual interaction.

Consent cannot be the result of:

- a. Force
- b. Physical Violence
- c. Threats
- d. Intimidation
- e. Coercion, including consideration of frequency, intensity, isolation and duration, or
- f. Incapacity as a result of drugs, alcohol, sleep, mental or cognitive impairment, injury, or other condition, which was or should have been known to the accused. Intoxication of the assailant shall not diminish the assailant’s responsibility for sexual assault or sexual misconduct.

The absence of “No” does not mean “Yes”. [C-14, Section II.H.](#)

“Stalking” refers to a course of conduct (two or more acts), directed at a specific person, on the basis of actual or perceived membership in a protected class that is unwelcome, and would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress. Stalking is defined as the repeated following, watching, and harassing of another person. Stalking may include legal, appropriate behavior such as sending someone flowers or waiting outside someone’s workplace for her/him to appear.

However, when these acts are coupled with an intent to instill fear or injury, they may be part of a pattern of stalking behavior. [C-14, Section II.HH.](#)

- Awareness workshops and other educational demonstrations facilitated by the campus

throughout the year on personal safety, dating violence, and sexual violence.

APPENDIX A

CALIFORNIA DEFINITIONS OF DATING VIOLENCE, DOMESTIC VIOLENCE, SEXUAL ASSAULT AND STALKING

CALIFORNIA DEFINITION OF DATING VIOLENCE AND DOMESTIC VIOLENCE (Penal Code section 243(e) (1); Penal Code section 273.5)

§ 243. Punishment for battery generally; Punishment for battery against specified officers or others

- (a) A battery is punishable by a fine not exceeding two thousand dollars (\$2,000), or by imprisonment in a county jail not exceeding six months, or by both that fine and imprisonment.
- (b) When a battery is committed against the person of a peace officer, custodial officer, firefighter, emergency medical technician, lifeguard, security officer, custody assistant, process server, traffic officer, code enforcement officer, animal control officer, or search and rescue member engaged in the performance of his or her duties, whether on or off duty, including when the peace officer is in a police uniform and is concurrently performing the duties required of him or her as a peace officer while also employed in a private capacity as a part-time or casual private security guard or patrolman, or a nonsworn employee of a probation department engaged in the performance of his or her duties, whether on or off duty, or a physician or nurse engaged in rendering emergency medical care outside a hospital, clinic, or other health care facility, and the person committing the offense knows or reasonably should know that the victim is a peace officer, custodial officer, firefighter, emergency medical technician, lifeguard, security officer, custody assistant, process server, traffic officer, code enforcement officer, animal control officer, or search and rescue member engaged in the performance of his or her duties, nonsworn employee of a probation department, or a physician or nurse engaged in rendering emergency medical care, the battery is punishable by a fine not exceeding two thousand dollars (\$2,000), or by imprisonment in a county jail not exceeding one year, or by both that fine and imprisonment.
- (c)
 - (1) When a battery is committed against a custodial officer, firefighter, emergency medical technician, lifeguard, process server, traffic officer, or animal control officer engaged in the performance of his or her duties, whether on or off duty, or a nonsworn employee of a probation

department engaged in the performance of his or her duties, whether on or off duty, or a physician or nurse engaged in rendering emergency medical care outside a hospital, clinic, or other health care facility, and the person committing the offense knows or reasonably should know that the victim is a nonsworn employee of a probation department, custodial officer, firefighter, emergency medical technician, lifeguard, process server, traffic officer, or animal control officer engaged in the performance of his or her duties, or a physician or nurse engaged in rendering emergency medical care, and an injury is inflicted on that victim, the battery is punishable by a fine of not more than two thousand dollars (\$2,000), by imprisonment in a county jail not exceeding one year, or by both that fine and imprisonment, or by imprisonment pursuant to subdivision (h) of Section 1170 for 16 months, or two or three years.

- (2) When the battery specified in paragraph (1) is committed against a peace officer engaged in the performance of his or her duties, whether on or off duty, including when the peace officer is in a police uniform and is concurrently performing the duties required of him or her as a peace officer while also employed in a private capacity as a part-time or casual private security guard or patrolman and the person committing the offense knows or reasonably should know that the victim is a peace officer engaged in the performance of his or her duties, the battery is punishable by a fine of not more than ten thousand dollars (\$10,000), or by imprisonment in a county jail not exceeding one year or pursuant to subdivision (h) of Section 1170 for 16 months, or two or three years, or by both that fine and imprisonment.
- (d) When a battery is committed against any person and serious bodily injury is inflicted on the person, the battery is punishable by imprisonment in a county jail not exceeding one year or imprisonment pursuant to subdivision (h) of Section 1170 for two, three, or four years.
- (e)
 - (1) When a battery is committed against a spouse, a person with whom the defendant is cohabiting, a person who is the parent of the defendant's child, former spouse, fiancé or fiancée, or a person with whom the defendant currently has, or has previously had, a dating or engagement relationship, the battery is punishable by a fine not exceeding two thousand dollars (\$2,000), or by imprisonment in a county jail for a period of not more than one year, or by both that fine and imprisonment. If probation is granted, or the execution or imposition of the sentence is suspended, it shall be a condition thereof that the defendant participate in, for no less than one year, and successfully complete, a batterer's treatment program, as described in Section 1203.097, or if none is available, another appropriate counseling program designated by the

court. However, this provision shall not be construed as requiring a city, a county, or a city and county to provide a new program or higher level of service as contemplated by Section 6 of Article XIII B of the California Constitution.

- (2) Upon conviction of a violation of this subdivision, if probation is granted, the conditions of probation may include, in lieu of a fine, one or both of the following requirements:
 - (A) That the defendant make payments to a battered women's shelter, up to a maximum of five thousand dollars (\$5,000).
 - (B) That the defendant reimburse the victim for reasonable costs of counseling and other reasonable expenses that the court finds are the direct result of the defendant's offense.

For any order to pay a fine, make payments to a battered women's shelter, or pay restitution as a condition of probation under this subdivision, the court shall make a determination of the defendant's ability to pay. In no event shall any order to make payments to a battered women's shelter be made if it would impair the ability of the defendant to pay direct restitution to the victim or court-ordered child support. If the injury to a married person is caused in whole or in part by the criminal acts of his or her spouse in violation of this section, the community property shall not be used to discharge the liability of the offending spouse for restitution to the injured spouse, required by Section 1203.04, as operative on or before August 2, 1995, or Section 1202.4, or to a shelter for costs with regard to the injured spouse and dependents, required by this section, until all separate property of the offending spouse is exhausted.

- (3) Upon conviction of a violation of this subdivision, if probation is granted or the execution or imposition of the sentence is suspended and the person has been previously convicted of a violation of this subdivision or Section 273.5, the person shall be imprisoned for not less than 48 hours in addition to the conditions in paragraph (1). However, the court, upon a showing of good cause, may elect not to impose the mandatory minimum imprisonment as required by this subdivision and may, under these circumstances, grant probation or order the suspension of the execution or imposition of the sentence.
- (4) The Legislature finds and declares that these specified crimes merit special consideration when imposing a sentence so as to display society's condemnation for these crimes of violence upon victims with whom a close relationship has been formed.
- (5) If a peace officer makes an arrest for a violation of paragraph (1) of

subdivision (e) of this section, the peace officer is not required to inform the victim of his or her right to make a citizen's arrest pursuant to subdivision (b) of Section 836.

- (d) As used in this section, "traumatic condition" means a condition of the body, such as a wound, or external or internal injury, including, but not limited to, injury as a result of strangulation or suffocation, whether of a minor or serious nature, caused by a physical force. For purposes of this section, "strangulation" and "suffocation" include impeding the normal breathing or circulation of the blood of a person by applying pressure on the throat or neck.
- (e) For the purpose of this section, a person shall be considered the father or mother of another person's child if the alleged male parent is presumed the natural father under Sections 7611 and 7612 of the Family Code.

(f)

- (1) Any person convicted of violating this section for acts occurring within seven years of a previous conviction under subdivision (a), or subdivision (d) of Section 243, or Section 243.4, 244, 244.5, or 245, shall be punished by imprisonment in a county jail for not more than one year, or by imprisonment in the state prison for two, four, or five years, or by both imprisonment and a fine of up to ten thousand dollars (\$10,000).

- (g) If probation is granted to any person convicted under subdivision (a), the court shall impose probation consistent with the provisions of Section 1203.097.
- (h) If probation is granted, or the execution or imposition of a sentence is suspended, for any defendant convicted under subdivision (a) who has been convicted of any prior offense specified in subdivision (f), the court shall impose one of the following conditions of probation:
 - (1) If the defendant has suffered one prior conviction within the previous seven years for a violation of any offense specified in subdivision (f), it shall be a condition of probation, in addition to the provisions contained in Section 1203.097, that he or she be imprisoned in a county jail for not less than 15 days.
 - (2) If the defendant has suffered two or more prior convictions within the previous seven years for a violation of any offense specified in subdivision (f), it shall be a condition of probation, in addition to the provisions contained in Section 1203.097, that he or she be imprisoned in a county jail for not less than 60 days.
 - (3) The court, upon a showing of good cause, may find that the mandatory imprisonment required by this subdivision shall not be imposed and shall state on the record its reasons for finding good cause.

An order to make payments to a battered women's shelter shall not be made if it would impair the ability of the defendant to pay direct restitution to the victim or court-ordered child support. If the injury to a person who is married or in a registered domestic partnership is caused in whole or in part by the criminal acts of his or her spouse or domestic partner in violation of this section, the community property may

not be used to discharge the liability of the offending spouse or domestic partner for restitution to the injured spouse or domestic partner, required by Section 1203.04, as operative on or before August 2, 1995, or Section 1202.4, or to a shelter for costs with regard to the injured spouse or domestic partner and dependents, required by this section, until all separate property of the offending spouse or domestic partner is exhausted.

- (j) Upon conviction under subdivision (a), the sentencing court shall also consider issuing an order restraining the defendant from any contact with the victim, which may be valid for up to 10 years, as determined by the court. It is the intent of the Legislature that the length of any restraining order be based upon the seriousness of the facts before the court, the probability of future violations, and the safety of the victim and his or her immediate family. This protective order may be issued by the court whether the defendant is sentenced to state prison or county jail, or if imposition of sentence is suspended and the defendant is placed on probation.
- (k) If a peace officer makes an arrest for a violation of this section, the peace officer is not required to inform the victim of his or her right to make a citizen's arrest pursuant to subdivision of Section 836.

§ 243.4. Sexual battery; Seriously disabled or medically incapacitated victims

- (a) Any person who touches an intimate part of another person while that person is unlawfully restrained by the accused or an accomplice, and if the touching is against the will of the person touched and is for the purpose of sexual arousal, sexual gratification, or sexual abuse, is guilty of sexual battery. A violation of this subdivision is punishable by imprisonment in a county jail for not more than one year, and by a fine not exceeding two thousand dollars (\$2,000); or by imprisonment in the state prison for two, three, or four years, and by a fine not exceeding ten thousand dollars (\$10,000).

- (e)
 - (1) Any person who touches an intimate part of another person, if the touching is against the will of the person touched, and is for the specific purpose of sexual arousal, sexual gratification, or sexual abuse, is guilty of misdemeanor sexual battery, punishable by a fine not exceeding two thousand dollars (\$2,000), or by imprisonment in a county jail not exceeding six months, or by both that fine and imprisonment. However, if the defendant was an employer and the victim was an employee of the defendant, the misdemeanor sexual battery shall be punishable by a fine not exceeding three thousand dollars (\$3,000), by imprisonment in a county jail not exceeding six months, or by both that fine and imprisonment. Notwithstanding any other provision of law, any amount of

a fine above two thousand dollars (\$2,000) which is collected from a defendant for a violation of this subdivision shall be transmitted to the State Treasury and, upon appropriation by the Legislature, distributed to the Department of Fair Employment and Housing for the purpose of enforcement of the California Fair Employment and Housing Act (Part 2.8 (commencing with Section 12900) of Division 3 of Title 2 of the Government Code), including, but not limited to, laws that proscribe sexual harassment in places of employment. However, in no event shall an amount over two thousand dollars (\$2,000) be transmitted to the State Treasury until all fines, including any restitution fines that may have been imposed upon the defendant, have been paid in full.

- (2) As used in this subdivision, "touches" means physical contact with another person, whether accomplished directly, through the clothing of the person committing the offense, or through the clothing of the victim.
- (f) As used in subdivisions (a), (b), (c), and (d), "touches" means physical contact with the skin of another person whether accomplished directly or through the clothing of the person committing the offense.
- (g) As used in this section, the following terms have the following meanings:
 - (1) "Intimate part" means the sexual organ, anus, groin, or buttocks of any person, and the breast of a female.

 - (3) "Seriously disabled" means a person with severe physical or sensory disabilities.
 - (4) "Medically incapacitated" means a person who is incapacitated as a result of prescribed sedatives, anesthesia, or other medication.
 - (5) "Institutionalized" means a person who is located voluntarily or involuntarily in a hospital, medical treatment facility, nursing home, acute care facility, or mental hospital.
 - (6) "Minor" means a person under 18 years of age.
- (h) This section shall not be construed to limit or prevent prosecution under any other law which also proscribes a course of conduct that also is proscribed by this section.
- (i) In the case of a felony conviction for a violation of this section, the fact that the defendant was an employer and the victim was an employee of the defendant shall be a factor in aggravation in sentencing.
- (j) A person who commits a violation of subdivision (a), (b), (c), or (d) against a minor when the person has a prior felony conviction for a violation of

this section shall be guilty of a felony, punishable by imprisonment in the state prison for two, three, or four years and a fine not exceeding ten thousand dollars (\$10,000).

§ 261. Rape; "Duress"; "Menace"

- (a) Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator, under any of the following circumstances:
 - (1) Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent.
 - (2) Where it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.
 - (3) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.
 - (4) Where a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets any one of the following conditions:
 - (A) Was unconscious or asleep.
 - (B) Was not aware, knowing, perceiving, or cognizant that the act occurred.
 - (C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.
 - (D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.
 - (5) Where a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by any artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

- (6) Where the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.
- (7) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, "public official" means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.
- (b) As used in this section, "duress" means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.
- (c) As used in this section, "menace" means any threat, declaration, or act which shows an intention to inflict an injury upon another.

§ 261.5. Unlawful sexual intercourse with a minor; Misdemeanor or felony violation; Civil penalties

- (a) Unlawful sexual intercourse is an act of sexual intercourse accomplished with a person who is not the spouse of the perpetrator, if the person is a minor. For the purposes of this section, a "minor" is a person under the age of 18 years and an "adult" is a person who is at least 18 years of age.
- (b) Any person who engages in an act of unlawful sexual intercourse with a minor who is not more than three years older or three years younger than the perpetrator, is guilty of a misdemeanor.
- (c) Any person who engages in an act of unlawful sexual intercourse with a minor who is more than three years younger than the perpetrator is guilty of either a misdemeanor or a felony, and shall be punished by imprisonment in a county jail not exceeding one year, or by imprisonment pursuant to subdivision (h) of Section 1170.
- (d) Any person 21 years of age or older who engages in an act of unlawful sexual intercourse with a minor who is under 16 years of age is guilty of either a misdemeanor or a felony, and shall be punished by imprisonment

in a county jail not exceeding one year, or by imprisonment pursuant to subdivision (h) of Section 1170 for two, three, or four years.

(e)

A current or previous dating or marital relationship shall not be sufficient to constitute consent where consent is at issue in a prosecution under Section 261, 262, 286, 288a, or 289.

Nothing in this section shall affect the admissibility of evidence or the burden of proof on the issue of consent.

§ 261.7. "Consent"; Communication to use condom or other birth control device

In prosecutions under Section 261, 262, 286, 288a, or 289, in which consent is at issue, evidence that the victim suggested, requested, or otherwise communicated to the defendant that the defendant use a condom or other birth control device, without additional evidence of consent, is not sufficient to constitute consent.

§ 261.9. Procuring sexual services of prostitute of specified age; Imposition and collection of fines

- (a) Any person convicted of seeking to procure or procuring the sexual services of a prostitute in violation of subdivision (b) of Section 647, if the prostitute is under 18 years of age, shall be ordered by the court, in addition to any other penalty or fine imposed, to pay an additional fine in an amount not to exceed twenty-five thousand dollars (\$25,000).

 - (1) Where it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.
 - (2) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known, by the accused.
 - (3) Where a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets one of the following conditions:

- (B) Was not aware, knowing, perceiving, or cognizant that the act occurred.
- (C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.
- (4) Where the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.
- (5) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, "public official" means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.
- (b) As used in this section, "duress" means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in apprising the existence of duress.
- (c) As used in this section, "menace" means any threat, declaration, or act that shows an intention to inflict an injury upon another.
- (d) If probation is granted upon conviction of a violation of this section, the conditions of probation may include, in lieu of a fine, one or both of the following requirements:

 - (2) That the defendant reimburse the victim for reasonable costs of counseling and other reasonable expenses that the court finds are the direct result of the defendant's offense.

For any order to pay a fine, make payments to a battered women's shelter, or pay restitution as a condition of probation under this subdivision, the court shall make a determination of the defendant's ability to pay. In no event shall any order to make payments to a battered women's shelter be made if it would impair the ability of the defendant to pay direct restitution to the victim or court-ordered child support. Where the injury to a married person is caused in whole or in part by the criminal

acts of his or her spouse in violation of this section, the community property may not be used to discharge the liability of the offending spouse for restitution to the injured spouse, required by Section 1203.04, as operative on or before August 2, 1995, or Section 1202.4, or to a shelter for costs with regard to the injured spouse and dependents, required by this section, until all separate property of the offending spouse is exhausted.
